You are sure to attract the quality of candidate required

Make sure that you get the right person for the job

- call Kirstin today on 01347 833832.

“ I wish to thank the team at BIGGA for their help and advice in placing our advert on the BIGGA website. The good response to the advert will allow us to employ someone who we feel is ideally suited for the job.”

Tony Hawes, Course Manager, Potters Bar Golf Club

NVQ Assessor – Horticulture Ref : LBSA

(Sportsturf/Greenkeeping) - 37 hours per week, Fixed Term Contract until 31 July 2010 with the possibility of making this permanent

Salary range £22,776 to £28,050 per annum depending on skills, qualifications and experience

Do you have a passion for horticulture in general and sportsturf/greenkeeping in particular and working in the industry? Do you have commitment to educational values? We are looking for an assessor to advise and support candidates through the assessment process from entry point to external verification. The successful candidate will also have experience of increasing the number of students within this curriculum area. This post is a fixed term contract until 31 July 2010 with the possibility of making this permanent dependent upon the successful increase in student numbers.

Ideally you will possess Assessor's award A1 or D32/D33, have a minimum of a Level 3 Horticulture qualification with Sportsturf or greenkeeping specialism and have recent industrial experience. Ability to travel is essential.

What's in it for you?

In return for your skills and expertise we will give you:

- Competitive benefits package
- Final salary pension scheme
- Flexible approach to work
- Discount at a local health and fitness club
- Excellent training and development opportunities
- Generous Holiday entitlement
- Nursery Facilities
- Childcare Vouchers
- Performance related pay

If you want to work for a forward-thinking college with sites in St Albans, Welwyn Garden City and Borehamwood then please visit our website at www.oaklands.ac.uk for an application form and more details.

Closing date: 19th February 2010

An exciting new opportunity has arisen for the role of Course Manager at one of the Midlands oldest and most prestigious clubs. The Worcestershire Golf Club is an 18 hole course with over 700 members and many repeat visitors, that celebrated its 130th anniversary last year.

The successful candidate will be responsible for carrying through the club's ambitious upgrade plans and will require the following attributes:

- Experience at the highest level at a quality golf course
- Proven ability to prepare work programmes and meet deadlines
- Experience in implementing and working to budget plans
- Knowledge of all aspects of managing a golf course including turf management, drainage, irrigation and up to date equipment
- Working knowledge of health and safety and environmental legislation
- The ability to work with and to motivate others to achieve an end goal
- Have a sound understanding of golf in order to meet the needs and interests of our members and visitors
- Experience in providing a quality golf course
- Proven ability to construct/reconstruct tees, bunkers and greens to the highest standard

This position offers a great opportunity for the right Greens Professional to make their mark and offers a negotiable salary to attract the best possible candidate.

All applications in writing, including an up to date CV to the Secretary, The Worcestershire Golf Club, Wood Farm, Malvern Wells, Worcestershire, WR14 4PP.
