

# BUYERS' GUIDE

## Specialist Support

JSM Distribution provides a specialist service to maintain and support owners of Soil Reliever aerators, old or new.

A full range of parts and tine options are available through their parts department and a specialist reconditioning service can breathe new life into your old and tired aerator.

The Soil Reliever has been imported and sold in the UK for nearly 15 years, through a succession of distributors including Huxley, Sisis, D J Turfcare, Southern Green and ultimately JSM Distribution. The rights for the new equipment are now owned by the Toro Company. The durability of the product means that many older units are still in use. JSM is able to use its previous expertise and stock investments as a previous distributor of the product to provide specialist support to users of this heavy duty aerator.
