

BUYERS' GUIDE

Lovie Quarry & Concrete Products

Starting back in 1941 Lovie Quarry & Concrete Products is a name that has become synonymous with quality and service.

Over much of that time quarrying and manufacturing has been the mainstay of the business supplying the local construction industry with aggregates, Ready-mix concrete which is BSI accredited & Precast concrete, including concrete blocks.

For the past 15 years the company has been involved in the production and supply of specialised materials utilised in the construction and maintenance of golf courses and sports playing fields from Musselburgh in the South to Dornoch in the north

Extensive quarry deposits and continual capital investment in modern plant and machinery guarantee long term supply of high quality aggregates

The aggregates are washed pre-ceding and during the screening process, removing any impurities, including silt and clay. In house quality control ensures consistent product, compliant with current specifications including USGA guidelines.

Operating within an ISO 9001 quality system & striving for continual improvement ultimately leads to customer satisfaction. The extensive owned haulage fleet of tippers, tankers and Ready-mix trucks enables punctual, flexible delivery of any of the products.

Our aim being Quality + Availability + Service + Price = VALUE FOR MONEY

The Buyers' Guide article in the February's magazine stated that the Royal Dornoch Course Manager had been in post for 10 years. Bob Mackay would like to point out that he, in fact, was Course Manager at Royal Dornoch until 2005. We would like to apologise to Bob for the inaccuracy.
