

## Workshops

After the successful introduction of the **How to be an Outstanding Manager** workshops, the 2012 programme will once again feature Shona Garner, Director of Shona Garner Coaching Services Ltd, offering **Part 3: Performance Management; How to Get it Right**

Following feedback a couple of workshops that were originally offered as one day workshops, have been extended to two days:

**So You Want to be a Golf Course Manager** by Peter Jones and Kevin Munt, Golf Course Consultants

**Irrigation System Management and Design** by Adrian Mortram, Irrigation Consultant, Robin Hume Associates and Dennis Mortram

New workshops will include:

**Essential IT Business Administration for Greenkeepers** by Jacky Lowe, Training Gem

**A Practical Guide to Setting Up a Social Media Presence** by

Lesley Wood, Principal Consultant, Targeting Innovation Ltd

**Progressive Cultural Management Programs** **SOLD OUT**

by Frank Rossi Ph.D, Professor, Cornell University

**Successful Project Management** by Bruce Williams CGCS, Bruce Williams Consulting

A mainstay of the GCSAA's Education Programme, we are delighted that Bruce will be presenting this workshop on the Continue to Learn programme.

## Seminars

Seminar Sessions will include the following presentations:

### Managing Winter Kill in West of Scotland?

David Cole, Golf Course/Estate Manager, Loch Lomond Golf Club

### From Grazing to Scottish Open Status in Five Years
