

BUYERS' GUIDE

RECO – the machinery you need, the support you deserve.

RECO supply a wide range of groundcare and agricultural machinery throughout the UK via an extensive dealer network.

Established over 125 years ago, the Huntingdon-based, family-owned business, has developed from its early manufacturing roots to become the sole importer for a large range of premium brands across the two sectors.

In the groundcare and amenity sector, one of the largest brands RECO supplies is the Kioti range of compact tractors and Utility Vehicles. Introduced into the UK by RECO in 2000, the Korean-manufactured machines have achieved increasing sales success year-on-year, and currently hold the position of the third in the market. The recently introduced Mechron Utility Vehicle has also seen impressive levels of sales to date, with stock orders and projections for future sales looking very positive.

RECO also import Grasshopper zero-turn mowers, the number one zero-turn in the US which are popular with contractors due to the increased work rates that are achievable. Along with longer service intervals, lower maintenance requirements than competitor machines and a wide range of cutting deck options and accessories, you can see why Grasshopper is fast becoming the preferred zero-turn in the UK.

All RECO machines benefit from RECO service, warranty and spares support, with spare parts available 364 days a year.

Ferri hedgecutters and flail mowers, plus a range of tractor accessories and turf maintenance equipment is also available from RECO.

For more information visit www.reco.co.uk or call 01480 455151.
