

## OCTOBER 2011

## FEATURES

### 22 Perks of the job

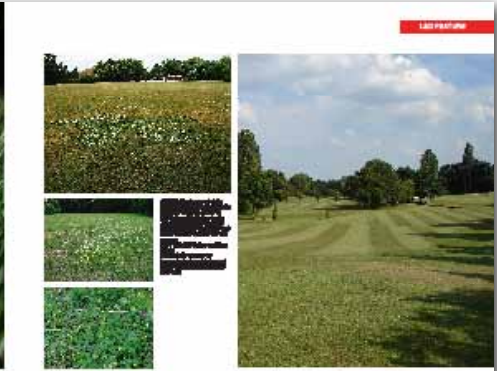

Scott MacCallum meets Matthew Perks, the 2011 Toro Student Greenkeeper of the Year.

## Greenkeepers in clover

Dr Terry Mabbett looks at how best to face up to the challenge of clover

Dr Terry Mabbett examines the world of greenkeepers' world - clover. The article discusses the benefits and challenges of clover in turf management, including its role in soil health and pest control. It also touches on the importance of maintaining a balanced ecosystem on the golf course.

This section contains several smaller articles and advertisements. It includes a 'Lawn Feature' section with various tips and product recommendations for lawn care. There are also small ads for various golf-related products and services.

### 26 Greenkeepers in clover

Dr Terry Mabbett examines that blight of the greenkeepers' world - clover.

### 30 Treading the boards

Scott MacCallum takes a look at one of BIGGA's most valuable member benefits.

### 34 Continental shift

Mark Alexander finds out how an Irish greenkeeper ended up at a Dutch course run by a group of Scottish golf pros.

### 42 Dollar spot and integrated pest management
