

Kubota Arrive in Harrogate

Harrogate Borough Council is making good use of the powerful Kubota M9540 utility tractor covering some 540 square miles in the spa town itself, home to the BIGGA Turf Management Exhibition each January.

Purchased principally to tackle mowing duties with a new Major TR1600 rotary trailed gang mower, the 95hp M9540 was delivered in time for the start of this season.

Transport Manager Alan Smith

explains: "The groundsmen have an eight-day mowing round to cover the large areas of grass in parks, playing fields and open spaces, and have to travel 20-25 miles from the depot for some jobs."

One feature of the M9540 which has met with particular approval from the operators is the 36x36 speed transmission with hydraulic shuttle, operated via a steering column mounted lever.

E-Z deal for Bromsgrove

Bromsgrove Golf Centre, situated in the heart of Worcestershire, has taken delivery of their second fleet of E-Z-GO RXV golf cars from local dealer, TH White of Redditch. E-Z-GO is a Textron Inc. company.

Adam Morris is a director of the family-owned facility, which was formed in 1993 and is home to Bromsgrove Golf Club. Commenting on the new fleet he said, "As early adopters of the new RXV back in 2009, we were probably taking a slight gamble with the new technology. However, we needn't have worried as the fleet has performed superbly and we've only had five unscheduled service calls in the

past three years.

"The build quality is excellent; we've had very little damage and the number of rounds per charge has been surprising.

"They are certainly very economical to run and have definitely made a significant contribution to the bottom line.

"We expected good things when we purchased the initial fleet and have not been disappointed; reliability has been excellent, the support from TH White has been of the highest order and it was an easy decision to return to them for the new fleet."

Since 1989 so that's 23 years in direct Leisure Sales. I had to use a calculator for that!

What changes have you seen during your time in the industry?

Enormous changes for me personally. Back in the day I used to cover seven counties across the south and doing at least 100,000 miles a year seeing customers old and new. Long gone are the days of "repping" but the personal service is still to be found with Gripclad Ltd.

What do you like to do in your spare time?

Sculpturing a fat free torso, or in other words I go to the Gym a lot. Charity runs, spend time with my boys, and play golf!

I don't, very simply I can't plan what will happen in the future, I live for the NOW. You never know what's round the corner!
