

# BUYERS' GUIDE

## GROUNDSMAN INDUSTRIES

Groundsman Industries specialise in the design and manufacture of Pedestrian and Tractor Mounting Turf Aerators, Soil Core Collectors and Turf Multi Cutters, exporting products around the world.

### Turf Aeration

Groundsman has been producing Turf Aerator machines and accessories for over 20 years earning the reputation for rugged simplicity with optimum performance for aeration down to 15cm (6") depth. The wide range of quick-change Tines and Holders available enable Solid, Hollow, Chisel, Needle and Cluster-tine aeration on fine turf such as Bowling or Golf Greens as well as Football Pitches, Parks and Gardens. Three pedestrian models are available in 45cm (18") and 60cm (24") working widths. Two tractor mounting machines with working widths of 120cm (48") and 180cm (72") complete the range. The Flexblade Core Collector is an attachment for Groundsman aerators which saves time and man hours by gathering the soil cores as they are being produced in a one pass operation. This extremely effective attachment is also available as a separate implement for tractor or turf utility vehicle mounting for rapid clearance of cores and all types of aeration debris off the green into one pile keeping the green open for play.

### Turf Cutting

Two and four wheel drive Turf Multi Cutters have been the focus of product developments at Groundsman Industries for the past ten years. Five widths of Sod blades are available to cut sod widths from 30cm (12") to 50cm (20") adjustable to 7cm 3" thick. Revetting Blades cut two half width strips for sod walling or bunker building. The machines can also be fitted with Trench, Mole-drain and De-compacting blades working to 12cm (5") depth. As well as versatility, the Groundsman Turf Multi Cutters are recognised for effortless clean cutting with the lowest operator handle-arm vibration levels (HAV) on the market. A flat syncro-belt provides quiet smooth drive to the cutter blade and oil-filled disengaging worm gear-box for rugged low maintenance ground-drive. All Groundsman products are backed by a 24 month factory warranty.
