VERDE SPORTS LTD

Since this time Verde have been a leading supplier of artificial surfaces to the golf market, producing golf and fairway mats, winter tees, pathways, adventure golf and putting surfaces.

Verde are based in the manufacturing area of North West England and are a hands on, loyal and friendly team. Celebrating their 24th year in business, Verde believe that long-term relationships with trade distributors, golf clubs and private customers has contributed to their success.

Verde are acknowledged in the industry for their excellent customer service, often offering next day UK deliveries, distributing all over Europe as well as Worldwide.

The short to medium term objective is to produce a wholly British product – with all the consistency of supply and high level of quality that goes alongside having a British manufacturing base.

Recently, the company re-designed its website to produce an even more informative and customer friendly interface. This effectively showcases their range of products and services and allows for instant purchases to be made via its "buy online" facility.

Verde Sports will continue to grow alongside the increasing popularity of artificial grass surfaces and they remain committed to being at the forefront as the industry moves forward.
