"Just used Gripclad product on our course for Tee steps. The service was first class and the product meets our needs exactly. Highly recommend Gripclad for first class products and fast efficient service",

**Gail Carpenter, Managing Director, Southport Golf Academy**

"Hillside Golf Club agonised for a long time over how best to prevent slips on the many sets of wooden steps we have on our golf course, but once we'd found the products supplied by Gripclad all of our questions were answered. The product shown in the picture is truly non slip, easy to install and Barry will organise cutting of the product to a customer's specific dimensions. We have a great relationship with Gripclad Ltd and are proud to endorse their products". **Simon Newland, Club Secretary, Hillside Golf Club Ltd**

"The product is easy to install, looks good, and most importantly makes the steps easy and safe to walk on in all conditions. The service from gripclad has also been excellent"

**Jonathan Wood, Course Manager Enville Golf Club**

"Having tried several products to combat slippage on the wooden steps at our golf course, we find gripclad provides the best wearing, best looking and provided the best services for us. As well as satisfying our health and safety agenda.

**Scott Aitchison, Deputy Course Manager, Royal Dornoch Golf Club**

"The feedback has been very positive. The overall wear tolerance is excellent. I would recommend Gripclad to any golf club with slippery surfaces issues and the customer surface is top class.

**Dan McGrath MG, Course Manager, North Foreland Golf Club**

This product is very easy to fit, maintenance free, extremely resistant to spiked shoes and all weathers, frost, impact, and wear, and resistant to SLIPPING!
