

# Continue to Learn at BTME 2013

**Education wise, the exhibition incorporates Continue to Learn Education Seminars and Workshops which are the ultimate experience for visiting greenkeepers.**

This time round there are a packed four days of workshops, seminars and the new 'Focus On' sessions.

The Turf Managers Conference will also take place on Monday 21 January – featuring experts

from across the global turf industry. Full details are in the Continue to Learn booklet which is with this month's Greenkeeper International.

Last year, almost 4,000 hours of education took place with numbers well up on the previous year.
