## Field Sales Manager, Scotland – Turf Products

### The Scope;

Lely (UK) Ltd is the exclusive distributor in the UK and Ireland for the world leading range of Toro professional turf maintenance equipment and irrigation systems, as well as the TYM brand of tractors. Our blend of product offering is well suited to a large range of customers in the sectors of 'fine turf' sports and grounds maintenance.

We pride ourselves on offering an exceptionally high standard of pre-sale and after sales back up for all of the products we distribute.

### The Role;

The Turf division is looking to recruit a Field Sales Manager, based in Scotland, to support the sales team in promoting and selling our turf maintenance equipment brands to end user customers including all sports, local authority and landscape contractors as well as other amenity grounds maintenance providers.

Reporting to the Regional Manager successful candidates will have a proven track record in negotiation skills and selling to end user customers, ideally in the golf sector as well as in sports fields, local authority and landscapers.

Candidates will be highly motivated professionals with a pro-active approach and who enjoy working as part of a team. You will need to display good oral and written communication skills and be able to create and maintain strong working relationships at all levels. Good time management and presentation and reporting skills using Microsoft packages are essential.

This position carries a full remuneration and benefits package including a company vehicle.

If this challenge appeals to you and you feel you have the necessary experience and qualities to take on this role you should apply in writing providing a full CV including current earnings to;

**Sharon Saunders, HR Department, Lely (UK) Limited, 1 Station Road, St Neots, Cambridgeshire, PE19 1QH**

**We are an Equal Opportunities Employer. Closing Date for applications is 31st August 2013.**
