of golf'. This is, I'm sure you will agree, a generous invitation from a busy club and one we are happy to accept.

GEOFF SMITH

DEVON and CORNWALL

Our February meeting was held on the 13th at Royal North Devon Golf Club, the event being a Stableford for the Stanley West Trophy. Whilst our golfers were golfing the rest were treated to an interesting 'course walk' with Dr Stewart. Following play we were well fed and watered before Keith Stewart of Stanley West Ltd presented prizes to the following: 1st K Piper - Holsworthy GC 39 points. 2nd T Gooch - Torrington GC 35 points. 3rd J Parr - Exeter GC 35 points. Thanks to Keith for both donating and presenting the awards.

Our afternoon speaker was Dr Stewart, who gave us an in-depth look at his research findings relating to salt affected turf. Whilst appreciating all that Dr Stewart had to say, we equally appreciated that he had travelled some considerable distance to attend and are truly grateful to him on all counts. And in giving due acknowledgements, we must also thank RNDGC for allowing us the use of their splendid historic links and Ted New for preparing them in such fine fashion.

Members should note that the section is hoping to run a coach to the WESTURF exhibition and trade show at Long Ashton, Bristol, on May 1st. Those interested PLEASE contact me as soon as possible on 0288 35438, and may I urge you all to make every effort to attend.

RICHARD WHYMAN

NORTH EAST

The Spring Competition is to be held at Bamburgh GC on April 25th, this also being the ISEKI qualifying event for 1991. I would like to welcome the following new members to the North East section: C Bamford - Bolden GC. G Baxter - South Shields. R Bell, S Cram and G Lauder - Slaley G and CC. R Griffiths and L Wilkinson - Whitley Bay GC. C Irvine - Gosforth GC. G Rycroft - Wallsend GC. C Thompson - Haltwhistle GC. R White - Stocksfield GC. Finally congratulations to M Lathan on his new job, moving from Tyneside GC to Hexham GC.

JIMMY RICHARDSON

NORTH WALES

The North Wales section has got off to a flying start since the inaugural meeting at Prestatyn GC. At this event the prizes were donated by Gem and Terry Adamson and made us feel most proud.

Our first section lecture was given by Derek Green of Royal Liverpool GC., and was held at the Welsh College of Horticulture at Northop. Apart from greenkeepers, we were pleased to see a representative of the Welsh Golfing Union in attendance and we all enjoyed Derek's enlightening revelations of life as Course Manager, Royal Liverpool GC. On behalf of the section I thank Derek and also Graham Wright, who arranged the college venue.

A golfing day has been arranged by Terry Adamson at Abergele and Pensarn GC on May 23rd. Qualifiers from this event will then travel to Tredegar Park, South Wales, to compete in the ISEKI regional finals. Cost for Abergele is £10 for BIGGA members, £11 for non-members and it should be noted that only members may qualify. Good luck to you all. May I make a plea that you support this to the full and make this, our first ISEKI competition, a great success. Incidentally, Brian Anderson has arranged the venue for us at his home course and this seems a good opportunity to both thank him and welcome him to North Wales. He has already been elected to our committee and I am looking forward to sharing time in his company in the near future - Croeso i Cymru, Brian.

A match is arranged between North Wales and the North West, scheduled for April 23rd at Llangollen. This in response to the challenge thrown down by Bert Cross when he last attended a North Wales meeting. We know the dragon is down in the nation's first game at the moment, but I'm sure it will be breathing fire once more during this match.

Finally may I convey our thanks to PROTURF from S. Wales for donating liquid gold - whisky - as prizes for future meetings - cheers!

Serving Groundsmen and Greenkeepers for nearly 60 Years

THE ULTIMATE PLAYING SURFACE *par none!*

Whether you're constructing a new green, or repairing an old one, the final surface must be the same... pure, true and firm. And there's no better start than laying GREEN KING turf from Tillers.

That's because GREEN KING is grown using the best possible varieties of fescue and bent - Bardot, Sefton, Center and Oriflamme. Varieties that have been bred to survive under close mowing. Compact, dense and fine leaved.

GREEN KING

And because GREEN KING is grown on sand you'll never get water standing on your greens. All designed to keep the members on the course, and not on your back.

Ask about our tees turf, too, by calling free on our Adviceline 0800 591666.
