

## THE COLNE VALLEY GOLF COMPANY LIMITED

*is seeking a top flight*

# GOLF COURSE MANAGER

*at their wholly owned Buckinghamshire Golf Club.*

This post will give the successful applicant a unique opportunity to set new standards in British Golf Course Management.

The 18 Hole Course, which is of a Parkland nature, has been designed by John Jacobs and constructed to a high specification by Southern Golf Club Co Ltd. The Club is situated 20 miles west of London in the village of Denham and will open in July 1992.

First class resources have been provided to enable the Course Manager achieve his goals in Course Maintenance and presentation. These resources include a staff of sixteen, the latest Greenkeeping and Administration hardware all housed in purpose designed and built facilities.

The Course Manager will be seen, and operate as a vital member of the Management team, (this is not a job for someone who enjoys management by club committee), and will contribute fully to the commercial and general success of the golfing facility.

Below are listed the attributes that will make you suitable for this post:

- Minimum of twelve years greenkeeping experience.
- Five years as a Course Manager/Head Greenkeeper.
- City and Guilds Golf Greenkeeping and Turf management Phases I, II and III.
- Some form of formal management training.
- Highly self motivated.
- Have an interest in staff training and the furtherance of your profession.
- Want to be or already are highly respected by your peers.
- Articulate with an even temperament.

Now that you have read this far and feel this is the job for you, then please write to the address below enclosing your detailed Career Resume.

As you are already planning your future you will also need something to live on. As this post demands a high class professional, the remuneration package will match it. Recommended rates will not form a limiting factor if you are the right person for the job.

**Mr B V Morgan, Colne Valley Golf Company Ltd., Grove House, 248a Marylebone Road, London NW1 6JZ.**

## AROUND THE GREEN

30 ➔ believing that the professionals are making overtures to eventually take over from the R&A in controlling British and European golf, he was spurred by such convictions into making an impassioned plea for the grass roots to at least be aware of the situation. He was equally passionate in condemning invidious attempts by Club professionals to take over the 'management' of golf courses, without getting their hands dirty of course, (there were a couple of vocal Club professionals/managers in the audience) suggesting that their essentially commercial interests would have dire consequences. Above all he urged greenkeepers – interspersing his comments with documented case histories of those 'warm climate' methods that had proved both disastrous and costly in our colder climate conditions – to remain ever vigilant and to learn from past mistakes and avoid repeating them. His address was loudly applauded.

It could be said that safety regulations and The Law is a subject guaranteed to be about as exciting as watching AstroTurf grow, but this is never the case when the speaker is the hugely entertaining Jon Allbutt. Jon has the skill and personality to cut through the gobbledegook of official government publications and ministerial edicts, with the wit to interpret even the most tiresome of regulations and make them appear almost as interesting as The Ryder Cup. There is none finer than Jon and his warnings of the consequences, should one be tempted to flaunt the law on such diverse subjects as chainsaws and pesticides, held the audience spellbound and he quite rightly drew both loud acclamation and the bulk of questions at question time.

From the floor came one question from an eminent head greenkeeper, Ivor Scoones, which brought both wry smiles and a silence in which one could hear the proverbial pin drop. 'Why', he asked, 'since 'The Way Forward' condemns large committees and favours their abolition, does the Joint Golf Course Committee have such an indefensibly large committee?' The question remained unanswered.

# THREE NEW PRODUCTS FROM

# Longlife

The 'Longlife' range has been developed to give today's turf manager a choice of high quality fertilizers from which he can select those best suited to his individual requirements. To give an extra dimension to his annual fertilizer programme we are introducing three new mini-granular products, formulated to the same high standard you come to expect from ICI Professional Products.

## 'Longlife' Preseeder

It is often necessary to turf or re-seed bare patches on existing areas or where new construction is taking place. To achieve the best possible results there is now 'Longlife' Preseeder, designed specifically for use as a base dressing for the establishment of both outfield areas and fine turf.

## 'Longlife' STANDARD Spring and Summer

Most fertilizers in the existing 'Longlife' range described overleaf contain the unique ingredient 'Didin' which provides a controlled release of nitrogen over an extended period. There are circumstances however when the turf manager may not need all the benefits these particular products can give. 'Longlife' STANDARD products have been formulated to fill that gap. 'Longlife' STANDARD Spring and Summer is a conventional, high-quality fertilizer with the analysis 9:7:7 providing essential nutrients for good grass growth and colour response.

## 'Longlife' STANDARD Autumn Feed

With a 4:12:12 analysis our second STANDARD fertilizer contains the ideal balance of nutrients to strengthen the turf for the rigours of Winter use. Levels of phosphate and potash are higher to encourage harder growth and better root development.
