HEAD GREENKEEPER – NORWAY

Interest in golf in Norway has greatly increased during the last five years and many new courses are under construction or in the planning stage. Droebak Golf Course is due for completion in June this year and is expected to be ready for use in summer 1992. The course is situated in a very popular and picturesque area 25 miles south of Oslo on the east side of the Oslofjord.

We require a person for the position of Head Greenkeeper starting in May/June. She/he should have had several years golf course experience (ideally with the establishment of a new course), should be practical, versatile and good with machinery.

Accommodation available. Salary £18,000 pa.

It is our wish to build Droebak Golf Club into one of the best in Scandinavia and we are looking for a head greenkeeper to help us achieve this aim.

Please apply in writing to: **C. N. Smith, Shernet, Main Road, Thornham, Hunstanton, Norfolk PE36 3LZ.**

Adare Manor

GREENS SUPERINTENDENT

Adare Manor golf course, designed by Robert Trent Jones Snr., is currently under construction and is due to open for play in June 1992.

Applications are now invited for the post of greens superintendent. Applicants should have experience with new course grow-in as well as bentgrass cultivars. Position available March/April 1991. Salary is commensurate with experience.

Send CV in full confidence to:

Mr. Robert Horan

Director of Golf Development, Adare Manor, Adare, Co. Limerick, Ireland.

GOLF COURSE MANAGER

required for

TULLYBANNOCHER GOLF COURSE COMRIE PERTHSHIRE SCOTLAND

Construction of this course, set amongst some of the most beautiful scenery in Scotland, will commence in March 1991. It will be built to the highest specifications and the successful candidate will be part of the construction team.

Only fully qualified greenkeepers, experienced in modern construction methods and maintenance will be considered.

During construction they will control the maintenance, appoint their greenkeeping team, purchase machinery, draw up budgets and be part of the ongoing management team.

An excellent salary will be negotiable plus pension. A company vehicle will be provided.

Written applications only and CV, marked private and confidential, to:

**Mr John Souter
The Monument Golf Club Limited
9 Grinnan Road
Braco
Perthshire FK15 9RF**

FARNHAM GOLF CLUB

require a

FIRST ASSISTANT GREENKEEPER

Applicants should hold relevant certificates in turf culture and have practical experience in the use of modern machinery, irrigation systems and intensive turf management. No accommodation.

Conditions of service in line with BIGGA recommendations.

Send complete CV to:

Mr J Prevalin, Secretary, Farnham Golf Club, Sands, near Farnham, Surrey GU10 1PX.

Telephone: (02518) 2109

Burhill Golf Centres Limited

HEAD GREENKEEPER

required for

THORBURY GOLF CENTRE, near BRISTOL

Applications are invited for the above position where a 36 hole 'Pay and Play' complex is under construction and due to open in Summer 1992.

The successful applicant will be fully qualified and have at least 8 years' experience in green-keeping and be able to demonstrate that he/she has the necessary ability to maintain the courses to the high standard already set at our other Centres.

An attractive salary will be negotiated, together with other benefits.

An application form may be obtained on request from:

A. J. Acres
Burhill Golf Centres Ltd
The Club House
Walton-on-Thames
Surrey KT12 4BL
Tel: 0932 227345

GOLF D'APREMONT

require a

HEAD GREENKEEPER
in FRANCE

For their 18 hole course designed by John Jacobs, construction of which will be finished in June 1991. The course is approximately 50km north of Paris and only 25km from Charles De Gaulle airport.

The successful applicant will be fully experienced in all aspects of modern course management, including knowledge of new equipment and irrigation systems for greens, tees and fairways.

The ability to motivate and manage a staff of around ten people will be essential.

Salary negotiable.

GOLF CENTRE**

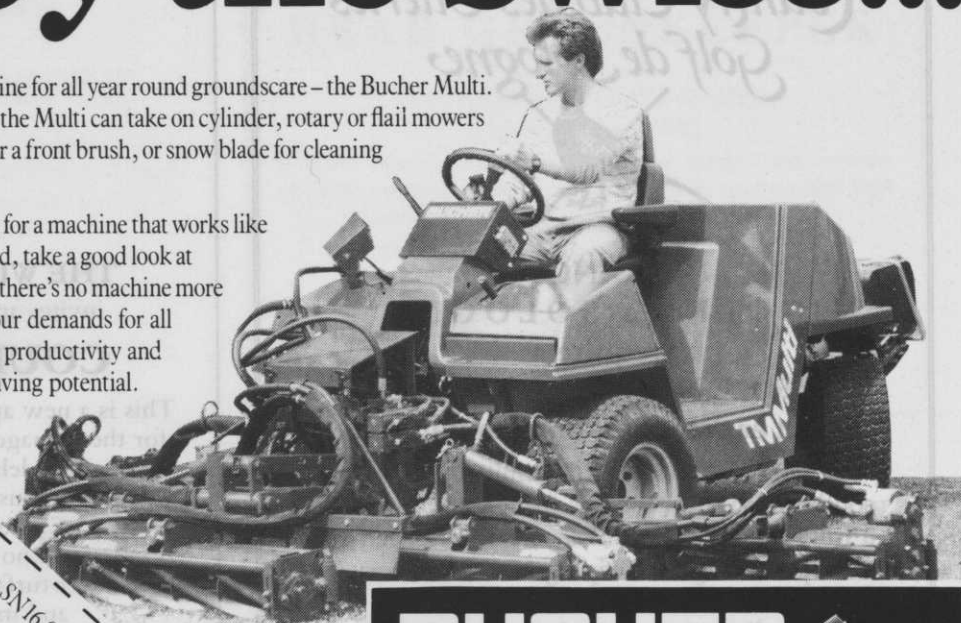

Please apply in writing to:

Paul Harley – Head Greenkeeper, Leatherhead Golf Centre, Oaklawn Road, Leatherhead, Surrey KT22 0BT

Built by the Swiss...

Now there's a new multi purpose machine for all year round grounds care – the Bucher Multi. Built by the Swiss for all round adaptability, the Multi can take on cylinder, rotary or flail mowers for fast productive cutting in summer, or a front brush, or snow blade for cleaning up in winter.

Now, when you're looking for a machine that works like clockwork all year round, take a good look at the Bucher Multi – there's no machine more adaptable to your demands for all year round productivity and time saving potential.

BUCHER

..works like clockwork.

AROUND THE GREEN

● From Page 44

NORTHERN ENGLAND

Just returned from the BIGGA show in Harrogate and I was pleased to see so many of our members there. Everyone agreed that the show and the seminars were an outstanding success.

Many thanks to all section members for their time and help on the door and at the seminars, it was very much appreciated.

Our winter lectures continue. The last was a general discussion evening when a good turnout made it a success. On the panel was Chairman Philip Taylor, Alan Gamble, Education Officer, David Golding, BIGGA Vice-Chairman, George Malcolm, BIGGA Pension Adviser, Howard Evans and myself.

The next lectures will be on Wednesday 6 March at Cleckheaton Golf Club at 2.30 pm by Chaplins on aeration equipment, and they have kindly agreed to provide us with some tea.

Iseki and EFG will provide speakers on Wednesday, 20th March at 2.30 pm at West Bowling Golf Club and show us their range of equipment. They also will provide us with a bite to eat.

Please remember that golf club dress rules will apply on these occasions, so no working clothes please.

It must be nearly Spring as I am now able to inform you of our golf programme for the year, which is as follows:

SPRING TOURNAMENT – Wetherby Golf Club, Wednesday 24 April. This is a qualifier for the Iseki finals and is limited to 40 only I am afraid and because of the restricted numbers it has been decided that this one is for greenkeeping members only.

PRESIDENTS DAY – Lightcliffe Golf Club, Tuesday, 11 June. This is also restricted to 40. Please contact Bill Mountain at Mountains to book for this one, not me.

INVITATION DAY – York Golf Club, Thursday, 1st August. Again restricted to 40.

AUTUMN TOURNAMENT - Barforth Golf Club, Tuesday, 1st October

As you see Golf Clubs are limiting the number of players so it is important to book early and all bookings must be accompanied by a £10 deposit for each event (cheques made payable to BIGGA). Bookings are made on a 'first come, first served' basis.

Last, but not least, is the Section's annual dinner dance date, which is Friday, 22nd March at 7.30 pm at Baildon Rugby Club (off Jenny Lane). Last year's event was well supported and I hope this year will be the same, especially as we are trying something a little different. We are having a Gourmet Buffet, provided by BBC TV's Masterchef, so a treat is in store. This will be followed by a disco. Tickets are priced at £10 per head. Please contact me to book and please remember this is open to members and guests.

BOB LUPTON

SCOTTISH REGION

1990 was a very busy year in Scotland, fairly successful too. Membership wise we had a good percentage increase, keeping up the gradual build up of the Association. Financially it was a

successful year, no small thanks to all our generous Patrons who supported us, and hopefully who we also supported during 1990.

In March the Region Conference was very successful. Nine speakers on a large variety of subjects kept the full house well entertained.

At Turnhouse Golf Club in April the annual match Greenkeepers v Golf Club Secretaries, saw the greenkeepers reclaim the trophy in a very exciting match, the result hingeing on the last game of the day. The Iseki regional final held at Cawder Golf Club in May was a splendid day on a very tough course.

In June the Scottish National Championship, held at Moray Golf Club, was another great day over another very tough course. Young Kevin Thomson from the club was a proud lad that day on winning the Championship. On to July and The Open at St Andrews, where the Scottish Committee was responsible for a smooth bunker raking operation. It can be a long and tiring day but what a way to watch the world's greatest golfers, walking a few yards behind them with unobstructed views while all those poor punters are stuck behind the ropes!

The BIGGA National Tournament was held at Ganton in August. I believe there were only two Scottish members there, Gordon Moir from the North and Duncan Gray from Ayrshire. I'm sure they enjoyed it as much as I did the year before.

In September a team of nine greenkeepers from the Region travelled to Moortown to play in the Iseki finals and they did us proud. They came second in the team tournament bringing back a cheque for £250 to be used for educational purposes in the Region. Team Captain John Flint, North Section, won the Veteran's prize and Jim Ellis, Central Section, the under 21's prize.

In November it was Scotsturf and the chance to see old friends and new equipment, the BIGGA stand was very busy and if only half the applications for membership taken away are returned our membership in 1991 will carry on the steady growth of the last two years.

Section wise, membership numbers are obviously up but some sections are struggling to encourage members to support their activities. The East Section, after having a rough time a few years ago, must be congratulated on the excellent support they are receiving for their events and their committee must be pleased with their hard work; keep up the good work lads. Unfortunately on the other side of the country what used to be the best supported and most active section, the West, are going through a sticky spell and now is the time for their members to rally round and support their committee in 1991.

Scottish Region dates for 1991:

Conference at Elmwood, Monday 10th March, Elmwood College, Cupar; Iseki Regional Final, Tuesday 28th May, Fraserburgh Golf club; Scottish National Tournament, Tuesday 25th June, Alloa Golf Club.

ELLIOTT SMALL

SOUTH COAST

Most winter lectures, as members will know, are held at Alresford Golf Club. However, to encourage participation for those members in the West of the Section an extra lecture was held in January at Came Down Golf Club, Dorchester.

The speaker was Mark Hunt of Sierra UK who gave an excel-

GOOD REASONS WHY YOU SHOULD USE COCKLESHELL FOR ALL YOUR PATHS

1. No damage to your mowers – saving you time and money
 2. It always looks clean – especially after rain
 3. It can be used on all paths – right up to the edge of the grass
 4. You can put it directly onto sand – and it stays on the surface
- ...and if you want a 5th... over 150 golf clubs already supplied can't be wrong!
(Including Sunningdale, St Georges, North Hants, Knowle Park, and Gerrards Cross).

Contact us today for a leaflet and a sample – or you can do it tomorrow, because we've been in business for over 100 years so we'll still be here! Deliveries nationwide.
