

'ULTRA-GREEN'

Provides a balance of essential nutrients, ideal for sand constructed surfaces

Provides quick growth and greening, ideal for use prior to a tournament

THE PERFECT SOLUTION

- ❖ Water soluble fertilizers for use on all turf areas
- ❖ Nitrogen source provides quick response
- ❖ Easy to use – dissolves rapidly and completely
- ❖ Contains a wide range of trace elements
- ❖ No risk of scorch
- ❖ Re-sealable packs for convenient storage and disposal
- ❖ Complements the existing range of 'Longlife' fertilizers
