

Now, thanks to Aquamaster,TM you can call the shots.

At last there's a wetting agent which gives you the freedom to prescribe just the right treatment for year-round healthy turf.

Whether your requirement is for an annual or monthly application for the control of dry patch and compaction, or if you need just a general wetter, Aquamaster is the answer for fast and long-lasting results. It's the very latest in Fisons turf care programme, extensively trialled at Levington Research Station and by the STRI.

Aquamaster not only lets you use the turfcare knowledge you have, but helps you increase efficiency, save water, and save money. And isn't that, ultimately, the only reason for calling the shots?

So whether it's golf, bowls or general sports turf you care for, Aquamaster wetting and penetrating agent gives you control.

Aquamaster, controls the elements at a stroke.
