ager, and his staff for the course and to Brampton Park for looking after us so ably on the day. Boughton Loam sponsored the day for us – thanks again, Mike Franklin. Thanks are also extended to all other trade members who turned up on the day and donated prizes.

The results: 1, Jon Moorhouse, 74pts; 2, Tony Freeman, 71pts; 3, Dick Coogan, 66pts; best am score – Chas Ayres (Lodgeway) and Mike Franklin (Boughton Loam), 31pts, but because they are both trade members the prize went to Neil Whittaker with 29pts; best pm score – Gavin Simpkins, 37pts; nearest the pin – Chris Brook; longest drive – Jon Moorhouse.

Our next golfing event is the Autumn Tournament at Mentmore GC on October 12 – an 18-hole event followed by the AGM. Preceding this on October 7 is the final of the Lodgeway Fourball Knockout.

Would all members please note a change of date for the Christmas Texas Scramble at the Family Golf Centre, Stevenage. It will now be held on Tuesday December 6 and not Thursday as published in the July issue.

PAUL LOCKETT

NORTH SCOTLAND

The first greenkeepers to take advantage of half-yearly memberships, now available, are Donald Patience from Tarbat GC, Portmahomack, and Richard Muir from Inverurie GC. I hope they will be members for many years to come.

Older members that remember Steve Donachie, a stalwart of the section for many years, may be interested to learn that his grandson, Scott Barclay, has joined the greenkeeping staff of Steve's old club, Deeside. I'm sure that if Steve were alive today he would be a very proud man.

I recently had the opportunity to play the new Carnegie course at Skibo, Sutherland, venue for the 1995 Scottish Greenkeepers Championship. The course is superb with some holes looking as if they have been there for years. It was hard to imagine that this was the land I had walked over only 18 months earlier. The scenery is breathtaking with views over the loch and distant hills, indeed along the 5th hole is an SSSI area with some very rare lichen growing in abundance. The clubhouse is nearing completion and it seems likely that another course will be constructed inland to give real variety for the customer. Alick Mackay and his staff have built all the bunkers in the traditional revetting way and they look excellent, the sand is taken from banks on the course and is a pleasure to play out of. Although it is way up north, I thoroughly recommend that Scottish region members make the effort next June to come up and play Skibo. It will be worth the journey.

Application forms for the North section's conference in Aberdeen this December are now arriving at clubs all over, but anyone who does not receive one and would like to go, please get in touch with me as I have some spare.

Tain assistant Jocky Urquhart won the Tain Club Championship for the third year running recently, making it four years in a row that a greenkeeper has won it and the next day Fortrose greenkeeper George Paterson won the Tain 36-hole Open! In fact several greenkeepers from various clubs in Scotland were playing in the tournament this year which

Around the Green

ensured a pleasant chat over a few beers after the golf.

Finally, I must mention the Open. Great course, great organisation, great fun, what a week.
IAIN MACLEOD

SOUTH WALES

Congratulations to Steve Mills on his appointment as head greenkeeper at the newly-developed Gower golf course, Cefyn Goliau Farm, Three Crosses. Steve, a former head greenkeeper of the Morrision GC for 17 years, took up his new post on the Donald Steel designed, Brian Pierson constructed 9-hole course on July 18.

Steve will work with new owner John Richards and his son Adrian at the course that is due to open in late spring/summer of 1995 and will extend to a full 18 holes later when funds permit.

Congratulations also go to Huw Parry, formerly of Caerphilly and Bristol and Clifton golf clubs, on his completely new challenge of lecturer in greenkeeping at the Cannington College, Bridgwater, Somerset.

Huw, who took up his new position on September 1, will be sorely missed by the section for he has been influential for his decision-making throughout his many terms of office. These positions have been at all levels – section, region and national, and his present standings are regional chairman, Pencoed College liaison chairman and national education chairman, but I'm sure Huw would like to be best remembered for being instrumental in the establishment of the GTC's Training Manual. On behalf of the section I wish Huw good luck with his new vocation and thank him for all of the hard work and effort that he has put into the Association over the years.

Our Summer Competition was held at Mountain Ash GC amid glorious sunshine and near perfect golfing conditions. The course was presented in superb condition and in the words of their captain, John Davies, "The course is in the best condition it has ever been." We can only echo this statement and congratulate Ceri Richards and his staff for their marvellous efforts.

It was very gratifying to be in the company of a golf club official who not only speaks so very highly of his greenstaff but who went to the trouble of purchasing gifts and presenting them on the evening in question.

Results: Winner of the Birdie Cup with a best gross of 71 was Gary Johnston, Southern-down GC; 2, Andrew Roach, Haverfordwest GC, 74; winner of the Waycott Cup with a best nett of 65 (on back 6) was Gerwyn Price, Maesteg GC; winner of the John Duncan Cup was David Jenkins also of Maesteg GC; nearest the pin – Huw Thomas, Pontardawe GC; longest drive – Alan Richards, Neath.

Our thanks to all at the Mountain Ash GC for helping to make the day so very enjoyable, especially Mr Davies, secretary Geoff Mathews, the caterers and especially the greenstaff

– well done lads.

However, when all is said and done, the day would not have been possible without the support of the sponsors Birds of Cowbridge. Our sincere thanks to Roger and Jeff Bird for their continued support and generosity in providing the prize table, absolutely first class! We were informed that the superb range of Portcawl/Walker Cup '95 merchandise was extremely "hot off the press".

It is with great sadness that I have to inform you that in the early hours of July 25, Stuart Lyndsey, head greenkeeper at Southerndown GC, took his own life. Single man Steve, 29, was a Scot and keen Rangers supporter. He had been at Southerndown for over two years following a short spell greenkeeping in Canada. On behalf of the section, condolences have been sent to Stuart's mother and sister who live near Linlithgow GC, West Lothian.
PETER LACEY

NORTH WALES

Firstly an apology from yours truly to High-speed Lubricants and their representative Paul Shaw for failing to convey our thanks for their kind donation to our prize table at the Spring Tournament. The company and Paul have always been staunch supporters of our activities and I hope that this omission has not harmed our relationship.

The Board of Management has now published a review document 'Towards 2000' and the section committee will shortly be considering the contents of it. Should anyone have any ideas or views as to the way they think the Association should progress, please contact a committee member as soon as possible. This review is a worthwhile exercise and needs your input. Any recommendations for change will be put before membership at the AGM during BTME.

All members will be circulated shortly with regard to future events.

Finally, congratulations to Phil Davies of Mommersteeg, a friend of longstanding, on successfully completing his national diploma in turf culture. This is quite an achievement considering Phil's workload and the award will be formally made during the Saltex show at Windsor.

ANDY CAMPBELL

MIDLAND

Members of our section will have received a questionnaire regarding future lectures recently. If you have not returned it yet, please do so as this will enable us to put on the lectures you want.

Congratulations to Vince Lee on his move to Great Barr as assistant head greenkeeper. We also wish Vince the best of luck in the regional finals of the Toro Student Greenkeeper of the Year.

It is with much regret that I have to inform members of the sudden death of Tom Kelsall. Tom, aged 63, was head greenkeeper at Stratford Oaks GC where he had been for the last seven years. Tom was always a keen supporter of greenkeeping and of BIGGA, serving on the Midlands committee. We send our condolences to his wife and family.
DEAN CLEAVER

EAST ANGLIA

Tree-lined fairways, tight lies and nippy greens welcomed 48 East Anglian greenkeep-

ers to Thetford GC for the August meeting. With the predicted storms failing to reach East Anglia, golfing conditions were good. But with such a testing course suiting the straighter hitters, scores were not exceptional except for one or two hitting the 40-point mark.

Thetford GC captain Ron Hewick and vice-captain Richard Goodenough joined in the day and at the prize giving the captain expressed his delight at being able to join in with the section, and commended the Association before, with everyone's agreement, giving praise to Ian Willett, head greenkeeper, and his staff for the condition of the course and the hard work in bringing the course round since he joined the club 18 months ago. Also, thanks Ian and Sam for the organisation.

Results: 0-9 cat - 1, A Carter; 2, M Fance; 3, R Plummer; 10-18 cat - 1, P Gould; 2, J Timms; 3, S Sylvester; 3, 19-28 cat - 1 E Hart; 2, S Millard; 3, T Huddleston; nearest the pins - 1st P Gould, sponsor RE Rushbrooks; 3rd R Plummer, sponsor Colliers; 11th S Pigott, sponsor Ben Burgess; 16th A Arbon, sponsor Sisis; longest drives - 8th M Peters, sponsor Bennets-Kubota; 13th A Turbin, sponsor Bennets-Jacobsen; guest prize won by Martin Preston. Further prizes donated by Kings, Thurlow Nunn, CMW, Patissons, Turf-Actant, Parker Hart and Rigby Taylor.

Thanks also to club professionals Norman Auther of Thetford, Ian Harris of West Middlesex and Roger Mace of Shillingly Park for their cooperation and for making contributions, along with the above, to the 27 raffle prizes.

Welcome to P Vincent, J Reluga and Golf Maintenance Ltd for becoming new members of the section.

M McGeoch has moved to head greenkeeper at Abbotsley GC and S McGeoch to head greenkeeper at Cambridge Lakes GC. Congratulations to Martin Mison and wife Tracey on the birth of their first child, Nathan.

The next meeting will be held at Gog Magog GC, Cambridge, on October 4. The Turkey Trot and AGM will be held at Aldeburgh on Thursday December 8. This is the day when everyone in the section has the opportunity to voice their opinions.

Venues for '95 are still required. If you would like to put your club forward for a June or August meeting, please contact Sam Sylvester. Finally congratulations to Sam for qualifying for the final of the Hayter Challenge at Pannal this month.

STEPHEN MILLARD

SUSSEX

Our Summer Tournament took place at Ham Manor GC. As I recall, it was the first time that our branch has had the pleasure of playing such a fine course. (Now is this due to the location or the skills of George, Jon and co? Probably the latter.)

The day started as a medal round, kindly sponsored by Farmura, followed by an afternoon stableford with prizes donated by Driving Force.

Unfortunately, due to one thing and another, I could only attend the afternoon round, and only then complete nine holes, so my apologies for the brief report. I gather from Stefan that the day went extremely well with hot sunshine from dawn to dusk (too hot for some judging by the number of no returns in the afternoon!) The food, I understand, was absolutely fabulous. Many thanks to the caterers for their excellent service and display. A

Around the Green

thank you must also go to Sue Antolik for doing the score cards and other 'small' jobs which help make the day run so smoothly. Refreshments at the halfway stage were gratefully received, thanks to Ross for the service.

Now for the results. Stefan mentioned that the winner of the medal - a bandit from Cooden Beach whose handicap has now been chopped - won a BIGGA blazer which, to the section's knowledge, is the first to present such a prize.

Morning medal - 1, Carl Whyborne, 68; 2, Bill Francis, 69; 3, Stefan Antolik; guest prize - Richard Elderfield, 65. Afternoon stableford - 1, Doug Powell, 41; 2, Mik Butrymowicz, 40; 3, Roland Hughes, 38; guest prize - Jim Spence, 35.

MARK WILTON

SHEFFIELD

Our 27-hole annual tournament, held at Tankersley Park GC, was sponsored by Yorkshire Mowers. The competition was played in glorious sunny, calm weather, the course was in excellent condition and we would like to thank Ron Graham's greenstaff who, in Ron's absence, prepared the course to a high standard. We would also like to extend our thanks to Tankersley Park GC for allowing us courtesy of their course and for making us all feel welcome. Also special thanks go to the steward and his staff who fed us well after a hard day's golf.

The winners: Foundation Trophy for best gross - S Currie, Hickleton GC, 120; Sutton Cup - M Clegg, Hallamshire GC; Taylor Cup - P Neve, Brough GC.

I would like to thank everyone who played and Barry Heaney for organising the day, though it was a poor turnout of only 22 players. I would like to thank again our main sponsor Yorkshire Mowers, as well as Brian Hurtle, sales director of Kubota, Brian Booth, Mike Brear, Steve Burroughs, Les Purdy and Peter Fell (sorry if I missed anyone) for contributing to our prize table which would look very bare without your support. A special mention also goes to Peter Fell and David Milbourne for checking the scorecards.

Our next event is on September 21 at Retford GC, tee off 1.30pm. This Autumn Tournament will be sponsored by Purdy's. Please get your forms back promptly to Barry Heaney as this makes life a lot easier for him. Finally, nobody from our section qualified at Worsley GC in the Hayter regional qualifier. Let's hope we do better next year!

IAN COLLETT

CLEVELAND

New members to welcome are DC Jobey from Brancepeth Castle GC and D Hoyle from Billingham GC.

The Autumn Tournament is at Middlesbrough Municipal GC on October 5, starting 11.30am. Meetings being arranged for October and November are on pest control. In

December there is a quiz with Turf Care of Leadgate.

George Atkinson, head greenkeeper at Consett, has retired.

Bob Lawton is the new course manager at Billingham GC. Glen Baxter, first assistant at South Shields, is acting as temporary head greenkeeper.

Gary Munro, secretary of the Cleveland section, has moved house to 514 Yarm Road, Eaglescliffe, Cleveland.

Harry Lees is working at Ramside Hall Hotel Golf Club, Durham.

The Cleveland v N/E section match at Whickham GC was a 4-1 win for N/E. Thanks to Colin McClure for an excellent golf course.

BRUCE BURNELL

NORTH EAST ENGLAND

Congratulations to Brian Hughes of Whickham GC on being promoted to deputy head greenkeeper and marrying Clare.

The Secretaries match was a complete failure as we could not provide a full team. In fact only five turned up - most embarrassing for all concerned. In future reliable players will be chosen to represent the section; cancellations at the 11th hour are no good at all.

The match against the Cleveland section was better attended with the result being 4-1 in our favour. Our thanks to Tony McLure and his staff for the presentation of the course and thanks to Whickham GC for granting courtesy of the course.

New members to date have increased this year by 20 altogether - it's nice to have the Bedlingtonshire lads back in. There are still clubs in the area who have no members.

These are: Westerhope, Morpeth, Burgher Park, South Moor, Tynemouth, Arcot Hall, Northumberland, Ryton City of Newcastle, Parklands, Haltwhistle, Rothbury.

JIMMY RICHARDSON

NORTHERN ENGLAND

The Hayter Regional Final was held at Worsley Golf Club and I am pleased to inform you that four players from the Northern Section have qualified for the final at Pannal this month.

Cat 1 - Gary Potter, Skipton; Cat 2 - Allan Baxter, Bingley St Ives, David Spurden, Ganton, John Waite Temple Newsam.

Allan Baxter was the winner of category 2. I hope you continue to be successful in the final.

I welcome to the section the following new member:

Richard Ruston of Camblesforth, Selby.

Any information you require please ring 0274 568128.

All golfing venues are fully booked except for a few places on our Autumn Tournament at Alwoodley Golf Club on Wednesday October 12.

The stork has been busy again - Brian Carr and his wife have had their first baby, a boy. Not much time for golf now, Brian.

PAT MURPHY

SOUTH COAST

The year marches on and we are nearing our penultimate golf meeting. This is to be held at Dudsbury Golf Club on October 6. The format

is an 18-hole stableford with tee times from 12:30. Please remember that the closing date for entries is 10 days prior to the meeting. As always, Bob Cully is the organiser and can be reached on 0489 782976 or in writing at 63 Upper St Helens Road, Hedge End, Southampton, 503 4LS.

The annual match between the South Coast and South West sections is due to be held on October 25 at Malborough Golf Club. If you want to be included in the team then contact Bob Cully, the captain, on the above telephone number.

The new section fixture list for 1994/95 will soon be sent to all members. If you do not receive your copy then please contact me on 0264 334269 or mobile no 0585 400529 as you may be inadvertently missing from the computer and we can then correct this.
ALAN MITCHELL

NORTH-WEST ENGLAND

Perfect weather and a great course greeted the 46 competitors at Stockport GC for the summer meeting. The course was in fine condition thanks to Paul Pearse and his staff, who must take solace after hearing the words of the winner of the Reg Vickers Trophy, Bill Merritt, who said, if you cannot play good golf on this course you may as well pack up. I think we can only assume that Bill was in a state of euphoria after having shot a 72 gross playing off 9 handicap.

The day was enjoyed by everybody, and the winners were: Bill Merritt 72-9-63; Adrian Holt 89-24-65 and Paul Pearse 71-2-69.

Many thanks to Stockport GC for allowing us the courtesy of the course and the catering staff for a fantastic meal. Thanks also to Ruf-

Around the Green

ford Topdress, Martin Brothers, Sisis, Rite Feed, Cheshire Light Tractors, Acorn Supplies, and Garry Worrall Ground Care for helping to furnish the prize table.

Despite the Hayter regional final being

played on home ground for the north-west, I am afraid we had no qualifiers for the final at Pannal GC this month. The regional final was played at Worsley GC, where Howard McAddey and his staff had prepared an excellent course for the occasion, and the weather was first class. Unfortunately only eight instead of nine of the N/W team turned up, which is bad news when reserves were ready to fill any vacant places.

Let's hope this does not happen in the future. Any queries or news please ring me on 051 724 5412.

BERT CROSS

NORTHERN REGION

Phew, what a scorcher for the regional final of the Hayter Challenge at Worsley near Manchester. The players who qualified for the final at Pannal this month were: Tony Mars, Ian Hutton, Garry Potter, Alan Baxter, John Waite, David Spurden, Chris Powley, Chris Fiddell, John Jones.

I hope they can repeat last year's effort and retain the Hayter Trophy (and the £500!). I must thank everyone at Worsley GC for hosting the event in their centenary year, especially course manager Howard McAddey and his team for presenting a course in superb condition. On a sour note I was disappointed with the qualifiers who didn't turn up without the courtesy of a phone call. I hope they realise meals had to be paid for and mementoes purchased and that they also denied someone else the chance of qualifying.

BOB LUPTON

MID ANGLIA SECTION

The Hayter Challenge regional final was held at Birstall GC, Leicester. Many thanks to Roger Willars, our regional administrator, for obtaining Birstall (his home club) at such late notice, as the BB&O section failed to secure a venue for the event. Taking into consideration the weather, the course was in fine condition. Our team had some good individual scores but just failed in

HAYTER

defending the team trophy, coming second. John Blair from Brocket Hall qualified for the final in the 19-28 handicap section and Jon Moorhouse, also from Brocket Hall, is first reserve in the same section. We must thank all the team for representing the Mid Anglia section so well. They were: Jon Moorhouse, David Forsyth, Gary Boulton, Chris Brook, John Elbourn, Brett Cox, Chris Toms, Stewart Boyes, Dave Coleman, Don Pemberton, John Blair and Richard Saunders.

Education update

BY KEN RICHARDSON

A timely reminder for those greenkeepers considering attending this year's supervisory and management courses, an update on the Master Greenkeeper Certificate and the Toro/PGA European Tour Student of the Year Award.

Book now for management courses

BIGGA SUPERVISORY AND MANAGEMENT COURSES

BIGGA Supervisory and Management Courses provide the ideal opportunity to help head greenkeepers bridge the gap to course manager. Head greenkeepers who have not received any formal supervisory or management training should advise their clubs that grants of £150 are available from the GTC to help with the cost of sending their greenkeepers on one or more GTC endorsed management courses.

The 1994 series of BIGGA Supervisory and Management Courses has been designed to meet the underpinning knowledge requirements of S/NVQ Level 3 Units. BIGGA courses are open to all greenkeepers who need to improve their supervisory and management skills. Courses cover:

- **Week 1, Managing People – Module 1.**

This week deals with team building skills, interpersonal skills, time management and staff appraisal, planning, problem solving, decision making, assisting staff to solve problems, computers in greenkeeping, which includes operating systems, word processing, databases and spreadsheets, and a presentation by a top course manager.

- **Week 2, Managing People – Module 2.**

This week deals with assertive communication, building relationships, influencing skills, communications, dealing with disagreements and conflict, listening skills, giving advice, grievance and discipline, computers in greenkeeping and a presentation by a top course manager.

- **Week 3, Managing Operations and Resources**

This week deals with planning and organising, communicating with others, dealing with accidents, maintaining a safe and healthy environment, suggesting improvements, solving problems and relating costs to employer's objectives and golfers' requirements, planning, monitoring and controlling the use of resources, handling disruptions, computers in greenkeeping and a presentation by a top course manager.

- **Week 4, Managing Information**

This week deals with collecting

and recording information, checking information for accuracy, recording information, using information to inform others about organisations objectives and policy, giving advice, presenting information to others, communicating clearly, computers in greenkeeping and a presentation by a top course manager.

All course delegates and employers will receive an end of course summary. This could be used to provide evidence for NVQ/SVQ assessors.

Attendance at each year's course qualifies for eight credits towards the Master Greenkeeper Certificate.

The cost per week, including accommodation, all meals and tuition fees is £420+VAT for BIGGA members and £475+VAT for non-members (prior to the grant allowance).

This year's courses are filling up fast, make sure of your place by returning the card in this magazine together with a deposit of £100+VAT (total £117.50). If you need advice on which week to attend or have any other queries call me on 0347 838581.

Master Greenkeeper Certificate

At the last BIGGA education sub-committee meeting, it was decided that the Master Greenkeeper Certificate scheme needed to be reviewed to reflect changes in greenkeeper education and training and to incorporate changes to the rules and administration of the award. A working party has been set up to conduct the review, which will take place in the autumn, however, one change that can take place is the timing of the stage 3 examinations. As from November 1994, Stage 3 examinations will be set, if required, in November and March of each year. This will allow candidates to sit an examination and, if necessary, two resits within a 12-month period. Additionally, candidates may choose to attend a 1 day examination technique workshop at Aldwark Manor. These workshops will cover basic examination techniques, group discussions and a briefing by a

member of the examiners panel.

Toro/PGA European Tour Student of the Year

The regional finals of the Toro/PGA European Tour Student of the Year awards take

place at Oaklands, Cannington, Pencoed, Warwickshire, Askham Bryan and Elmwood Colleges between September 10 and 11. The seven finalists will attend the National Final at Aldwark Manor, on October 2 and 3 1994.

GREENKEEPER'S CROSSWORD

Compiled by Mark G Smith

Ransomes make the claim that their E-Plex is the world's first all-electric greens mower, bringing quiet, pollution-free operation to golf courses

Electric machines on the brink of a quiet revolution

Now that Ransomes has brought out an all-electric triple greens mower, greenkeepers in the UK and in America are asking about other electric products – especially fairway mowers and bunker rakers. Next year boys, next year, is the word.

The big advantage that electric machines have is they are super quiet. The Ransomes E-Plex we saw recently at Foxhills in Surrey could not be heard when it was being test-driven at speeds of up to 7.5mph. Only when it started cutting was there a sound, but it was still very quiet compared with traditional greens mowers. This will be of great importance to greenkeepers who want to cut early in built-up areas and those who are maintaining courses in resorts.

The E-Plex, which will be launched at this month's Saltex show, draws power to drive its wheels and cutting cylinders from eight 6-volt batteries which provide up to three hours operation

from a single charge. This equates to a minimum of nine greens, or up to 18 depending on terrain, ambient temperature and the distance between holes.

Another appealing feature of electric mowers is that because they have no engine nor hydraulic system, daily maintenance and running costs are kept to a minimum. The cutting heads are powered by three 48-volt direct-coupled electric motors and the centre reel is mounted on a swing-out arm for ease of servicing. Further advantages of the mower's all-electric drive are no worries over oil leaks or exhaust fumes.

The downside is that it is nearly as expensive as a diesel mower – £17,000 – and that the eight batteries will need to be replaced once they have been recharged about 350 times.

● Ransomes' half-year results show turnover up 14% to £102.1 million and profit up to £11 million, more than double the £5.4 million achieved in 1993.

Success for greenkeepers who curry the can

Tests on a new range of chemical agents to get rid of worms show that one of the best antidotes is... curry powder sprayed on the grass in a gallon of water. STRI researcher Emma Kirby says: "Worms don't like it. It acts as an expellant which irritates them and brings them to the surface. Then greenkeepers can swish them off or pick them up." She added: "Some years ago it was found that Coleman's English Mustard worked, but we haven't tested it ourselves."

Million-dollar tournament where the

Words and pictures by
Rob Jewell

If your course was about to host a \$1 million tournament, you'd want it to look better than this, wouldn't you?

John Taylor, the landowner and the nearest thing to a greenkeeper at the course, doesn't worry about fast, smooth greens – or even cutting fairways. His only aim in staging a tournament is to raise money for building work – and have a fun day in the process.

For the second year running the Nelson North Country Club, on a 1300 acre, 1300ft high New Zealand island, staged the "World's Most Outrageous Tournament".

Dreamed up over a pint or two of fizzy amber water, the hole names and rules of play give an indication of the nature of the event: Hanging Tree, Possum Refuge, 5 Speed Overdrive, Knutcracker Suite; "All holes are to within approximately 50% of the distance marked", "should you feel like having a bitch about anything, first check out the size of the president and immediate past president who shall have final jurisdiction over any disputes".

Then there is the island course itself. Mustering stock here used to take over six hours in the days before quad-bikes, so the caddy is a four-wheel drive pick-up

with straw bales for seats. "Fairways" are 2ft tussock grass. Greens are green, but mown by sheep and have never seen a mower, aerator or any modern-day

Top: the champagne glass in a tree stump which could net you \$1,000,000; Above: "caddy cars"; Right: on target

Whatever time of year, this busy greenkeeper needs the right tools behind him to keep the golf course superb. With the Workman 3000 Series which boasts a large flexible carrying capacity, four-wheel

stability and three-wheel manoeuvrability, that's precisely what he's got. Toro attachments or those of our keenest rival can be mid or rear mounted in almost any combination. It's another example of how we've worked to

greens are mown by **SHEEP**

The excellent attendance had nothing to with the sponsor's product. Nothing at all.

On which other course would you need a drill to tee-up?

equipment. The tees are firm – some are wooden platforms with a drill for you to use to site your peg.

Even if you can't take the course seri-

ously, you have to take the golf very seriously as most holes have prize-money to the tune of \$500-\$1,000. One hole has a car for a prize, and there is the \$1 million

hole. Okay, so it's not a million in sterling, but £375,000 isn't to be sniffed at! All you have to do is land your ball in a glass of champagne, 3ft off the ground on a tree

THE ALL-ROUNDER, ALL YEAR ROUND.

provide you with precision engineered tools for the perfect finish. Give us a call. We'd like to walk your course with you and recommend the best Workman to meet your precise needs. You can trust Toro quality.

For a Workman that will tackle anything simply telephone 0480 476971 and we will arrange for a local dealer to contact you.

*Bringing perfection
to play.*

stump in the middle of the green – without spilling a drop!

The prize-money is covered by the \$60 (£22) entry fee which gets you a T-shirt, lunchtime barbecue, post-finish Hangi (meat cooked Maori fashion in a hole in the ground, moist, tender, delicious) and free drinks from the sponsor at the way-side tents like “Liz’s layby”, where all sorts of goodies and chat are available. Liz is club treasurer, and all club members help founder member John Taylor organise the event.

Results? You want results of a golf competition where the second rule states: “*The maximum number of clubs per player is three. Putter optional extra*”? Ah well, maybe you do.

The target sum of \$15,000 was raised; no-one got the car, much less the \$1 million; but someone did get a hole in one at “Gentle Annie”, even though the rules state this hole “*Must remain a virgin hole. No hole in ones.*” Make of that what you will! George Parsons did – he was the man who got the ace despite the 80m length, 80m drop. It also gave him the title of overall winner.

This unique competition will happen once more on February 6, 1995, so start saving now!

Left: the ‘Knutcracker Suite’ – a chance to play spot the ball

Below: Great scenery and a long drop off the ‘Trigg Off’

Heriot & Bardot

Favourite bentgrasses for fine, close grown turf outscore the usual.

Although ‘Highland’ browntop bent is generally acceptable for most UK situations, for very fine turf such as golf and bowling greens Barenbrug advises finer and denser cultivars like Heriot and Bardot.
