

1 YEARS ON

AND STILL

GOING

STRONG

It takes time to build a solid reputation for performance and reliability.

But when turf diseases strike, time is the last thing you've got.

ROVRAL GREEN'S active ingredient iprodione, gives immediate, effective and long lasting control of a wide range of turf diseases including Fusarium patch, Red thread and Dollar spot.

With its rapid contact action and special rainfast formulation, ROVRAL GREEN is unaffected by changing weather conditions, making it equally reliable all year round, but especially powerful during the cooler months when there is little or no grass growth.

So it's little wonder that after 11 years at the top, the reliability, performance and reputation of ROVRAL GREEN still makes it the number one choice of UK turf professionals.
