

Course managers such as
you have to wonder why
anyone would introduce a
utility vehicle to compete
with the Turf-Truckster®.
No matter how far the
other guys go, they'll
always be 30 years behind.

Cushman® Turf-Truckster.

The Cushman® Turf-Truckster® didn't get to be a market leader by accident. For more than 30 years, course managers have loaded it down with responsibilities and the Turf-Truckster has performed as promised. The Turf-Truckster continues to outpower and outperform the competition by offering greater payload capacity, more vehicle configuration choices, superior maneuverability, ease of service and the industry's most accurate ground speed governor. Plus, there is an entire system of attachments designed specifically for the Turf-Truckster. No other work vehicle has as much to offer.

Thirty years of proven performance mean two things: the Turf-Truckster won't let you down and the competition is going to have to eat a lot of dust. For a free demo, call 0500 026208.
