

Now, thanks to Aquamaster, you can call the shots.

At last there's a wetting agent which gives you the freedom to prescribe just the right treatment for year-round healthy turf. Whether your requirement is for an annual or monthly application for the control of dry patch and compaction, or if you need just a general wetter, Aquamaster® is the answer for fast and long-lasting results.

Aquamaster has been extensively trialled at Levington Research Station and by the STRI to ensure its performance is consistently excellent. Aquamaster not only lets you use the turfcare knowledge you have, but helps you call the shots to increase efficiency, save water and save money.

If you would like to know more about Aquamaster or any of our other products, including Greenmaster, just call the man from Levington, our technical advisor, on 01473 830492.
