BTME2000 - The Millennium Learning Experience! - It's just around the corner!

Same place, Harrogate International Centre. Same time, 19 to 21 January 2000. Same faces. Interesting speakers. Showstopping entertainment and a showcase of new and improved exhibits.

The National Education Conference will kick start the week of events on January 17. Next will be the BTME Exhibition, with The Learning Experience Educational Seminar Programme, which both begin on Wednesday, January 19.

The show provides the opportunity to catch up on all of the events of the past year and highlights new and exciting products about to be launched. All of which being quite appropriate, seeing as though the theme for the 2000 show is 'Past, Present and Future.'

SO, HOW DOES A FREE TRIP TO BTME2000 SOUND?

Interested?

Well, all you have to do to stand a chance of winning one of our three fantastic BTME package prizes is to answer six simple questions. - Two in this issue, two more in October and the final two in November. SEPTEMBER QUESTIONS:

1. What is the number of the BIGGA stand at BTME2000?
2. What is the theme of "The Learning Experience" in 2000?

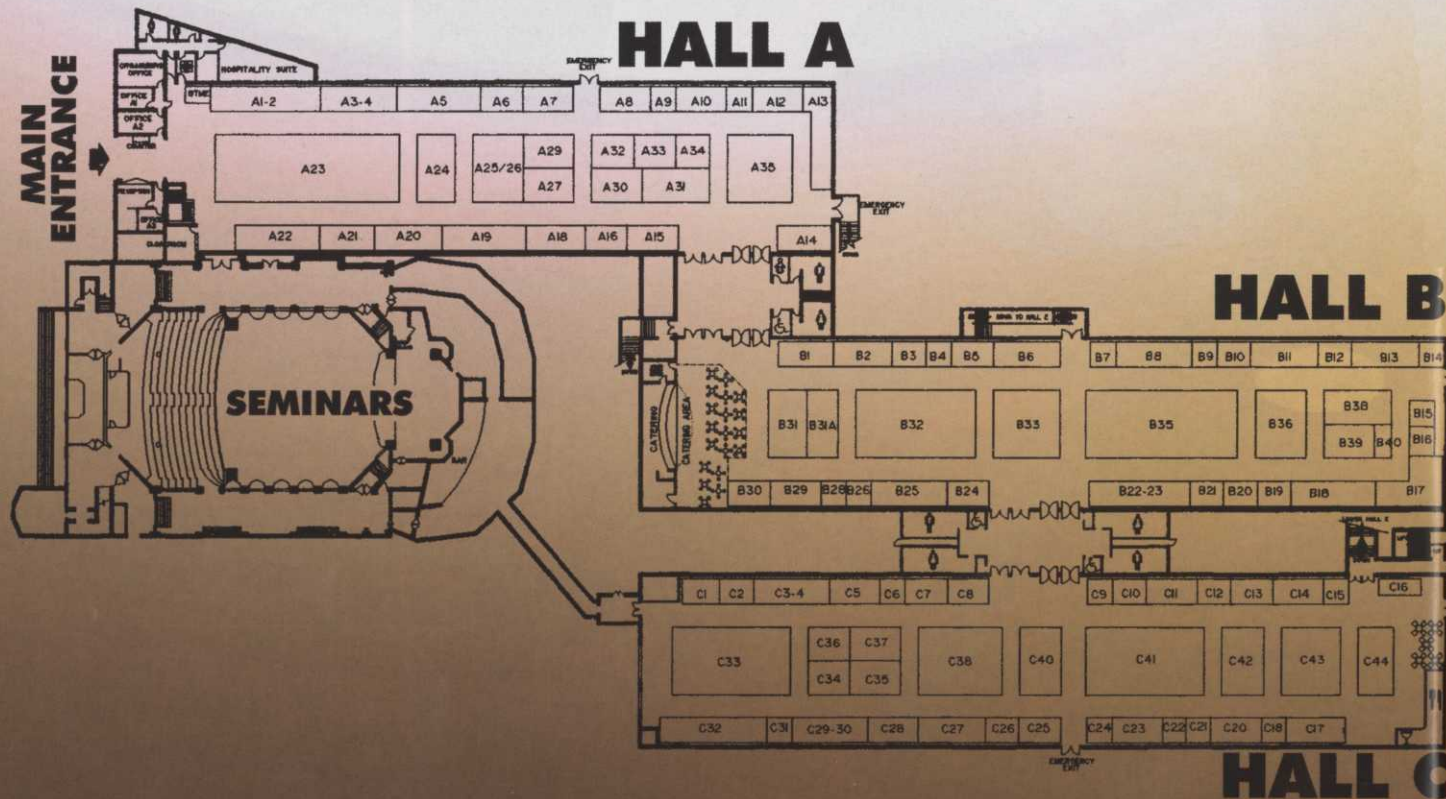

Remember, Don't send in your answers yet, keep them safe until you receive the entry form, printed in your November edition of Greenkeeper International.
