

# Bringing the industry together – from the ground up

## *IOG* **SALTEX**

*Sports, Amenities, Landscaping*  
**4-6 September 2001 Windsor Racecourse**

THE INSTITUTE OF  
GROUNDSMANSHIP

IOG SALTEX is the annual event held by the industry, for the industry. It's where you can trial the latest equipment and machinery, watch live demonstrations, attend talks and presentations and discover new methods and resources to make your working life easier and more productive.

But IOG SALTEX isn't all work. It's the entire profession's meeting place. It's where your work is truly appreciated. The one time of the year when you're guaranteed to be on common ground. And if you've been to IOG SALTEX before, you'll certainly not want to miss out...
