DON'T shave your greens to death!

Ask for a
DEMO

NEW
Mk2 Model

If you're under pressure to produce faster and truer greens, don't resort to shaving them to the limit!

Regular grooming with the incredible Thatch-Away tungsten tipped verticutters, and periodic rolling with the True-Surface Vibratory Rollers is the way to achieve the surface you want without stressing your greens (or yourself) to death!

Plus they are excellent for use after spraying, aerating and topdressing.

The NEW True-Surface Rollers quickly adapt from fitting one greensmower to another

DEMO

What makes the Greens Groomer so special?

- Easy to fit, quick to use
- Controls grain
- Greens back in play sooner
- Removes dew before play
- Stands up grass before mowing
- Rubs in topdressing sand – wet or dry
- Improves germination rate when overseeding
- Also excellent for maintaining sand filled synthetic pitches
