Bill Lawson, ex Heswall GC, EGA/BGGA and BIGGA, reaches the grand age of 70 next month. We wish Bill all the best for then, still very active in his love for the profession and great friend of Derek Green, from Royal Liverpool GC. I think that Bill will be of active support come three years this July at Hoylake.

And that's it folks see you next month. Any views, news or information, please contact me on: Home 01925 263394 Fax 01925 269622 Mobile 07778 162162 e-mail acorn@golf@supanet.com Mesen Cymru Andrew Acorn

Tyneside GC played host to our Spring competition on April 30. Our thanks to the Head Greenkeeper and his staff for the excellent condition of the course considering the weather we have had. Not the perfect start to the season.

Special thanks to the following sponsors: Turf Care Supplies; Border Services; Aitkens; Scotts; Aventis; Greenlay; Shorts. Thanks once again for your loyal support.

Best nett. A. Doig, Tynemouth GC, 79-6-73; Best gross. A. Dalby, Warkworth GC, 79; Assistant's Cup. B. Wilson, Stocksfield GC, 83-9-74; J. Hood, Linden Hall, 80-5= 75; J. Richardson, Hexham 84-8-76; J. Storey, Alnmouth, 81-5-76

Qualifiers for the Regional final will be notified in due course and, for once lads, you will have a short journey this year as I do believe it will be held at Middlesbrough sometime in August.

The Autumn competition has been fixed up and for the first time it will be held at Bellingham GC. For those who have not played it before I suggest you give it a go and you will be pleasantly surprised at the layout of this track.

One other thing springs to mind. Can anyone tell me why numbers are dropping at an alarming rate for the spring and autumn comps? We, the committee, are now getting worried. It was not so long ago we would have 35 people playing now it's down to 20 at the most. We have given it a thought ourselves, maybe we could change the tee off time to the afternoon so you don't need all day off. If you come up with any suggestions either give myself a ring or get in touch with either Steve Pope or Russ Black as we will listen to your ideas. One thing that causes a problem with the spring comp is when Easter is as we try to keep a full week clear either side. Hence why this year was later than usual.

Late April and at last we have some much needed rain. Strange as it may seem the April showers kept away, and the long dry spell with cold winds did not do anyone any good. It seems that hollow tining and top dressing seems to be the norm in modern greenkeeping during March, but this year we had hardly any growth during April due to the cold spell, so many greens suffered... and so did the greenkeepers. As usual the club members had watched The Masters, and then complained because their greens were not as good as Augusta. You can't win them all.

I had a phone call from Alec Davies the other day. Alec and his family have emigrated to New Zealand and he tells me that they have had no rain for almost

four months, but most courses have wall-to-wall irrigation systems so it's no worry to them. The family are enjoying the change I am sure, but he said greenkeeping is quite different out there with different growing conditions, and pests and diseases, but he said that golf committees are just the same as here. I wonder what he meant?

There will be Regional courses available for the autumn of 2003 and spring of 2004. The cost of the one day courses are £30 + VAT, and two day courses are £60 + VAT. There will be a minimum number of delegates for each course. Eg. four for a chainsaw course and six for a management course. The cost of these courses include tea/coffee and lunch. There is a long list of courses available so if you feel your staff might be interested, please ring me or Ken Richardson at HQ and we will arrange the course for you.

The match between the N/West Section and the N/Wales Section was played at Ringway Golf Club on Thursday, April 10. I was not able to attend but I am told that Jim Grainger and his staff had the course in great condition and with many changes since we last played there. The N/Wales Section could not field a full team, so I understand a Stableford game was arranged. Many thanks once again to GEM Professional for sponsoring the day.

The next golf will be the Summer Tournament at Deanwood Golf Club on Thursday, June 12. All applications to Bill Merritt, The Lodge, Beacon Park Golf Club, Beacon Lane, Dalton Up Holland, WN8 7RU, including a cheque for £20. Soup and sandwiches will be served at 12:30pm, and an evening meal and prize presentation after the golf. Tee-off time is 1.45pm.

That's it for now but give me a ring with any news on 01517 245412 or mobile 07761 583387.

East of England

You will be pleased to know that the East of England Section is still alive and kicking. There has been no news from the Section for some time now, but hopefully we will be putting pen to paper more often from now on.

Throughout the winter we had two well-attended seminars by Frank Newberry and Dennis Mottram and a visit recently to Cannons Turf.

Frank talked on the "New Supervisor" and Dennis enlightened us with his new talk about "Water and the Golf Course".

Both seminars were well attended and already we are booking this coming autumn courses and seminars.

In April we had an evening tour of Cannons Turf Farm and a talk by Ben Petitjean of Barenbrug. Thanks to Tim Cannon and staff for a well organised visit. About 20 members were well fed and watered and were delighted to see some quality turf growing in our area.

Our first golf day was the best-attended start to the season for quite a few years. The Section played over a windswept Burghley Park GC which was in its usual excellent condition thanks to David Salisbury and his staff.

Rigby Taylor sponsored the day and we express thanks to Stuart Jeffs for donating some great prizes.

Prizewinners were: 1. Mike Smith nett 71; 2. Gary Salisbury 71 (on count back) 3. Daniel Wells 72. Longest drive went to G. Macdonald. Nearest the Pin went to David Wellberry. Trade prize went to Ian Mauwer.

Welcome to our new members Gordon Cooke, of RAF Conningsby; Nathaniel Smith, of Belton Park; Jonathan Hubbard and Derek Beba, of Tydd St. Giles. Graeme Macdonald

BB&O

What a fantastic start to the summer with clear blue skies and plenty of sunshine. It is a shame the grass found this all too much for good growth but firm putting greens left golfers with good pace on the surface and a requirement of skill to keep the ball under control when going for the pin. Now we have sweet rain to ensure we all run around like headless chickens trying to control the rampant growth. There is no such thing as a seasonal pattern when it comes to predicting what weather is around the corner year on year. Interesting times I am sure you would agree.

Recently I requested feedback on any Section members who wanted to take up any training in our area that could be of benefit to your personal circumstances or golf course. I have received no requests so far so I wish to raise this issue once more. A course will only run if there are enough members to make it viable but the list of courses is extensive. If you are interested in what these are then contact BIGGA HOUSE or me for more details. The costs are incredible, only £30 + VAT for a one-day course or £60 + VAT for a two-day course per person, including lunch. These courses only run if a certain number of candidates is reached but these numbers are often low, typically 4-6. Please give this some thought, as the deadline for applications for these courses is July 16.

I see we continue to attract new members so I wish to add my own personal welcome to those joining this Section in our Association. I will send out the current list of golfing events to each new member but if anyone does not receive this then please call me and I will send a copy.

Our next golf event is at Donnington Valley Golf Club on July 1 and is sponsored by Tacit. This event is an 18 hole Stableford with teams of four. Our start time is 1pm so those attending please try to arrive in plenty of time to get booked in as we make up the teams to play on the day. This event will be followed by an evening meal in a wonderful old building overlooking the course so if your golf has been pitiful, there will certainly be a delightful end to the day. Cost is the usual £25 and cheques must be made payable to BB&O Section. These can be sent to me at Holly Lodge, Pond Lane, Hermitage, Thatcham, Berks, RG18 9RN. If you need to phone then call me on 07778 765021. With no Section news coming my way I wish you all success in your respective clubs. At least with the passing of time we are left alone to grow grass and not vegetables!

As some of you may be aware, in the past I have competed in the noble sport of Ballroom and Latin dancing. At the Vale's evening meal, M. Bryan must have mistakenly picked up his Latin outfit. All in black and looking rather Latino, I was unaware he also indulges in the prancing arts. Perhaps we may now

call him Zorro or Enrique. Wish on, chap!

The Spring Tournament was held at the Vale GC. Our thanks to M. Heath and his fine team for presenting the course in such wonderful condition, a great tribute to your skills. Also our thanks to the club's Captain, Mr. J. Eastoe for his kind welcoming hospitality. The results of the day: Best Gross, M. Hughes. Best Nett: N. Bird, D. Fellows, R. Carter, M. Bryan, N. Gilkes. Our thanks to M. Raynor, of Avoncrop, for sponsoring the main prize table. Also thanks to Ruffords for sponsoring; Longest Drive, M. Hughes, and Nearest the Pin, D. Fellows (with a hole in one). Cheers for the drink, Dave.

It was also very nice to see four new faces: S. Raybould, A. Moss, J. Moverley, and P. Rainford.

Anyway, let's get down to some educational possibilities. From letters of application and CV, dealing with peers, supervisors and trainees, through to presentation of reports and verbal communication with committee and members. At all levels, effective communication is perhaps the greatest tool at one's disposal. Andy Smith, yet again on your behalf, is organising an "Effective Communication" course to be run in the autumn. The course is a full day at a cost of approximately £40 per person. Cheap at half the price, and I personally look forward to attending. All interested please contact Andy on: 07977-145091.

It gives me great pleasure to welcome seven new members: D.A. Hood, R.I. Stretton, A.T. Thompson, R.C. Walthew, R. Williams, G. Jarvis, and finally, S.T. Beveridge. What a great name, and yes I know! Should you or indeed existing members require a list of events, please have no hesitation in contacting me on: 07816 410552, or visit the BIGGA website at: www.bigga.org.uk.

Also could you all amend your records in regards to G. Cunningham's (Treasurer) post code, such should read: ST15 8FG.

Now a tempter for all you who like dangling your worms. Is anybody interested in a Course Fishing Match at a private pool, with prizes and grub to boot? Allen Southam, of Hanson Aggregates, has kindly offered the Section the afore with full sponsorship, and after speaking with him, I get the feeling that the fishing is rather good. Opportunities like this don't come along every day. Let's take advantage. Interested? Then call myself or Allen on: 07976 853777.

And finally, good luck to I. Cureton, A. Quaterman, and R. Dimmock, in their new positions. Also, well done to T. Cheese in qualifying to play in The Open Championship qualifiers. We are all behind you Tony. Do us proud. What a great achievement, wishing you the best of success from the Midland Section. Looking forward to reporting the results of the Snooker and Darts evening next month (kindly sponsored by N. Tyler of Alpha Amenity). Anything you may like to share with the Section, please let me know.

Cheers

It was decided at a recent committee meeting of the Section to contact all Course Managers or Head Greenkeepers. We are looking for your views on what type of training courses you would like held in our area. This is in response to the cancellation of two computer training courses due to lack of interest. We would be grateful for positive feedback as the cost of putting on courses is the lowest it has been for some time, due to subsidies from HQ.

Onto other news. Sad to hear that Paul Lockett, of

South Beds, is leaving greenkeeping to pursue a career in landscaping. Paul was very active in BIGGA for many years putting a lot of effort in for the benefit of others and we wish him every success and happiness in his new vocation.

Sorry there's not much news, if you have anything you wish to pass on to your section comrades please contact me or any committee member.

Have a good summer.

April 15 saw the first match of the season, when our merry band of 44 arrived at Waldringfield Heath Golf Club. Keith Titshall and his boys had made a splendid job of the course, despite not being able to water due to a punctured tank liner. The greens ran true and the weather was very pleasant, all in all a very good day was had by all. We wish to thank Matt Bartram, Tony Nelli, from Bartrum Mowers, and Ian Mitchell, from Textron, for being our main sponsors for the day also Ellis Cummins, from Sovereign Turf, for sponsoring Nearest the Pin and Longest Drive. I would also like to thank Derek Morella, the new owner of the course, for allowing us to play. Please pass on our thanks to all the staff for the excellent service we received on the day.

So to the winners 0-10 H/cap 1. N. Brewster, 71 net; 2. P. Howard, 75 nett on countback; 3. A. Carter, 75 nett. 11-18 H/cap 1. S. Thompson, 68 nett; 2. J. Timms, 70 nett; 3. Ian Willett, 73 net. 19-28 1. G. Rayfield, 67 nett; 2. R. Ransome, 68 nett; 3. K. Titshall, 75 nett. Trade and guest 1. N. Ashman; 2. E. Clarkson. Longest Drive R. Boyce, Nearest the Pin S. Thompson.

The two representatives for the BIGGA National Championship are N. Brewster (best gross 76) and G. Rayfield (best nett 67). The converted toilet seat went to Toni Nelli by popular request for forgetting to put down half his team members on the application form. The next meeting will be at Bury St. Edmunds Golf Club on June 17, this will include the Captain/Greenkeeper Shield.

On behalf of the section may I thank the following sponsors for their support at this meeting – Rushbrooks & Son, SISIS, Lely UK, DFL, Atterton & Ellis, Consultant Clarkson, Bayer, Tomlinson Groundcare, Ben Burgess and John Deere. Colin (EI President) has been hard at work as usual and has managed provisionally to book all the courses for 2004 (see fixture list). On a more personal note my granddaughter, Sky, is nearly 2 and has picked up the habit of nicking her mother's mobile phone and calling her nanny, Christine, from time to time. It's nice to know she is getting her priorities right. Ha Ha.

See you all at Bury

The Sussex Section can be incredibly lucky with the weather or incredibly unlucky. The Spring Meeting this year was a lucky one! Willingdon Golf Club provided not only a wonderful course under the care of Peter Negus, some wonderful hospitality in the Clubhouse, but also some wonderful weather.

Now Mike Ring, of Rigby Taylor fame, has a

reputation for being a really nice guy, an honest and trustworthy representative of his Company. He does not, however, have a reputation for being an average golfer. If the Section could give him more than his 28 handicap they would gladly give it. He has won the "Longest Walk" prize more than most. He assures everyone that he has not been practicing or had lessons so you can imagine the surprise when Mike not only took the 'Trade Prize' with a nett 72 but tucked away a 5-iron on the 142yd 10th for A HOLE IN ONE! Willingdon Golf Club have a tradition of placing a bottle of scotch and glasses on the bar with an invitation to help yourself. In addition Mike treated all to copious quantities of wine with their evening meal. Well done Mike and well done Mike and Rose Gould for organising such a great day.

Other prize winners on this John Shaw (Machinery) Ltd sponsored day were:

Best Gross. 1. Lawrie Tremlett (Nationals Qualifier); 2. Ray Day; 3. Mike Gould. Best Nett. 1. Jon Hill (Nationals Qualifier); 2. Rob Hudson; 3. Peter Negus. Longest Drive: Matt Hutchinson. Nearest the Pin: Trevor French

The next Sussex day is at Piltown Golf Club on July 2. We need more members there.

With The Masters behind us the golfing season is well and truly upon us. Who would have had money on Mike Weir winning? I had my money on the Tiger but what do I know? I tipped Arsenal for the Premiership and that just about sums up my skill in betting!

The last month has been slightly busier on the Section and at last we have had some rain. I'm pretty sure that we can thank Ashley Wood's Head Greenkeeper, Tony Hyde, for the much needed rain. With no rain for weeks and the imminent arrival of the Section at Ashley Wood for the spring tournament I have it on good authority Tony was out twice a day with his prayer mat. Thankfully for him and the rest of us it worked! The 27 hole Spring Tournament was again sponsored by Vitax and Avoncrop and the weather stayed kind for us although the wind made for some very testing conditions. We played 18 holes in the morning then had a much needed lunch before playing a further 9 holes in the afternoon. The standard of golf was excellent considering the testing conditions and winners on the day were:

1. Tony Gadd, 61pts; 2. Alex McCombie, 58pts; 3. Alan Magee, 56pts; 4. Fred Deamen, 55pts; 5. Phil Wentworth, 54pts. Under 25's: Mark Gray Longest Drive. Rob Wills. Nearest the Pin. Paul Jackson.

Many thanks on the day to Ashley Wood for their superb Hospitality; to the caterers for two excellent meals and special thanks to the Captain for his

generosity in supplying the wine for dinner. A huge vote of thanks to Tony Hyde and his hardworking team in producing first class conditions for us. I told you not to worry about it, Tony! We cannot thank enough our sponsors of the day, Vitax and Avoncrop. The prize table was superb and we must thank Colin White and Joe Crawley for all their time and effort! More on Joe later! Lastly, many thanks to Chris Sturgess. Your hard work is much appreciated!

I was fortunate to attend an excellent two day course on presentation skills and public speaking last month along with five other greenkeepers. The course was run by the dynamic Frank Newberry who passed on some excellent skills to maximise presentations to committees, members etc. All of us left the course feeling more comfortable and confident about our future presentations. The course was much needed by me, particularly as I have been included on the list of speakers at the National Education Conference at Harrogate next year.

We must congratulate Moors Valley's Ian Noble on his excellent run in the London marathon recently. Ian crossed the line in just under three hours raising over £600 for the RNLI at the same time. A superb all round effort, Ian. Well done!

On Saturday night my wife and I attended the closing performance of Carousal at the Cricklade Theatre in Andover. So what you say! Well, the show was staged by the Andover musical and operatic society and the cast included our own Joe Crawley and his wife, Lisa. Joe was cast in the lead role of the bad apple Billy Bigelow and his wife played Julie Jordan who, needless to say, falls in love with Billy. I have to say I haven't enjoyed a show so much for a long time. Joe was superb and gave a faultless performance that I will remember for a long time. The whole cast led us superbly through this epic love story. I also learnt that night that the famous Anfield theme 'You'll Never Walk Alone' wasn't written by Gerry and the Pacemakers! Thank you Joe for an excellent night and I'm already looking forward to Oliver next year.

The draw has been made for the 2003 Jim Fry Pairs Knockout Competition. All of the entrants should know who they are playing by now. So let's make life easier for Phil Wentworth by completing the matches promptly and ensuring that we phone the results through to him immediately after the match.

It was good to hear that a great friend of mine, Rob Crouch, has once again joined the rank and file of greenkeepers after taking a couple of years out of the profession. Greenkeeping has certainly missed you and I know you will be an excellent addition to the team at Canford Magna. Welcome back Rob!

Our next meeting is the Invitation summer tournament on Thursday, July 17 at Stoneham Golf Club. The day will be sponsored by Huxleys and Rigby Taylor and the format is fourball better ball. Cost of the day is £18 per person and cheques made payable to BIGGA South Coast should be forwarded to Chris Sturgess at 40 Kinsbourne Way, Thornhill, Southampton, Hampshire SO19 6HB.

Until next month.

I shall start with the results from Thornbury. 1. S. Richards, D. Smith and A. Knight. Gross. 64, Nett. 61; 2. R. Louisson, N. Turner and C. Sealey. Gross. 67, Nett. 63; 3. P. Goodwin, M. Sage and J. Acton. Gross. 68, Nett. 64. Nearest the Pin. M. Sage, Nearest the Pin in two, D. Smith.

Our thanks to Steve and his team at Thornbury for

the use of his course. It's a shame there weren't more in attendance to appreciate it. I ended up winning the book for attending the course walk by the simple fact I was the only one there (boo, hiss). The book will be presented at the Summer Tournament. I shall keep trying.

Our accounts are looking very healthy again for which our thanks must go to our Patronage supporters MJ Abbotts, BS Mowers, Amtec, Bioseed, ALS, Symbio, Avoncrop.

As I write this report, I am looking out of the window with a huge sense of relief as the rain has finally arrived. We have had 9mm of rain in the past 7 weeks and with no irrigation at Yelverton, it has been a very difficult few months. Looking on the brighter side, no irrigation means no burst pipes, which usually occur on a Friday afternoon., Don't they Richard.

Our Summer meeting sponsored by Rigby Taylor, will be held at Trethorne Golf Club on Tuesday, June 17. Tee off times will be between 1.30pm and 2.30pm with a course walk for non-golfers followed by an evening meal. Full details will be sent out to you shortly.

Next season's meeting venues have almost been completed and I am looking forward to meeting up with many old friends and new faces.

Alan Dommet, of Devon Garden Machinery, is recuperating after his recent operation and we all look forward to seeing him out and about in the near future.

Our first competition of the year was held at Langland Bay GC playing for the Amtech Shield. Not to be put off by the dreadful weather, some 40 members competed. In first place with 39pts was Daryl Bray; 2nd on 38 was Peter Lacey and third with 35 pts was Alan Crichton.

Thanks to Langland Bay for looking after us so well, especially Ian Harwood and the greenstaff for the preparation of the course. Thanks to Liam Galway, from the Greenkeeper Supply Company, for donating some excellent prizes on the day, and for helping out with the prize giving.

Our Section seminar held at Royal Porthcawl GC and sponsored by Symbio was another great success. Neil Carter got things going with a brief talk on course ecology, this was followed by part one of Martin Ward's presentation on microbial activity. At lunch local John Deere dealer, Frank Sutton, displayed some of the latest John Deere kit, and then it was back inside to listen to part 2 of Martin's talk. A big thanks to Symbio, Frank Sutton and Royal Porthcawl GC for making the day a good one.

On a lighter note, Cardiff GC Course Manager, Russell Anderson, has just become the proud father to a baby girl. I spoke to Russell at Langland Bay and he told me mother and baby are fine and so far he has not had to many sleepless nights.

I begin this month by offering condolences to Michael Norman, from Malone, on the tragic loss of his brother. Our sympathies go to you from all of your colleagues and friends.

Well, how's the form, Congratulations to Ian Harrison and Victoria on a baby girl, April. Ian says breast feeding is difficult while cutting the fairways, but he is getting the hang of it (cutting fairways that is).

If you have any news for me regarding matches and hatches or anything else please call me N/I: 07774 789111 or R.O.I: 0504 24777.

We've just had a great day at Kirkistown Castle thanks to the club and Paul Lappin. I have seen how Paul has brought the course on since he has been there so it was great to play it at last. I got a bit wet over the last three holes but I was in good company.

Results: 1. Noel Crawford, RCD, 39 pts; 2. Michael King, RCD, 33 pts; 3. Gary Crawford, RCD, 33 pts; 4. Terry Crawford, Clandeboye, 33 pts. (I think these Crawfords are all interbred). Longest Drive. Justin Waddel, Fortwilliam. Nearest the Pin. Gary Crawford, RCD

Paul Lappin was presented with the Golfer of the Year Trophy 2002. Congratulations to him.

I must say a word or two about Noel's performance, 39 points off scratch, some going, a score we dream of off any handicap. Congratulations. I putted really well, if you got the line they held it. My partners told me the fairways were good, I told them when the rough grows it will be murder and that the newly raked bunkers were a pleasure to play from.

Finally, a word of thanks to the sponsors for the day, Allister Wilson, of Drilling & Pumping, Newtownards. We hope you enjoyed your day and many thanks for your generous contribution. My prize was one of their business cards with the phone number of a good teaching professional on the back.

On the way back on the M2 towards Antrim I was overtaken by a three legged chicken. It ran up the slip road at Templepatrick so, curious, I followed it into Frank Ainsworth's yard. I said, "Frank, I've just seen a three legged chicken run into your yard." "I'm breeding them," he said, "for the food industry". I asked, "What do they taste like." He said, "I don't know we haven't caught one yet."

Well, like me, I'm sure you would have liked to have seen Darren Clarke win The Masters. I've just been with Godfrey (larger than life our Godfrey) he was in strict preparation shovelling cones on the 18th. I now know all about and look forward to a drop of the green label.

News from the canteen. The current holders of the biggest consumers of food goes to Fortwilliam Golf Club. Well done boys. They might change their tractors every three years but at least they clean the cooker every two years.

What poor Micky O'Neill has to put up with with Sam and the form of Leeds United, I dread to think. Come back Don Revie. All is forgiven.

Well that's all from me. Be good.

Recruitment

THE BIOLOGICAL APPROACH TO SPORTS TURF, PLANT AND WATER MANAGEMENT

Now in our 12th year of developing innovative products for amenity turf, plant and water managers, we recently launched a new range of biotech solutions for the amenity turf market and have doubled sales this year.

To maintain this momentum we seek three new regional sales managers.

- 1) For north west England and north Wales based around Manchester.
- 2) For the M1 corridor based between Leicester and south Yorkshire.
- 3) For south east England to work from our office in Bookham Surrey.

Positions 1 & 2 will require you to work from home. You will be a self starter, highly motivated to provide the best technical advice and support for our customers. You will be computer literate, confident in your presentation skills and ability to meet sales targets and want to learn about new technologies for improving soil fertility. This is a hands on technical role, not catalogue selling, and full training will be given.

We offer an excellent salary, commission, pension, health insurance and car or car allowance.

Write with your C.V. to Martin Ward, Symbio, 38 Bookham Industrial Park, Bookham, Surrey KT23 3EU. Tel: 01372 456 101 email: martin@symbio.co.uk www.symbio.co.uk

A Frustrating Start to the Season

At long last there's been some sort of normality about the weather. Cold, windy and rainy. Yes, that's more like we are used to and, unlike the golfers who are playing the course but like my fellow greenkeepers, I'm pleased.

At the time of writing it has been the most difficult and frustrating start to a season that I can ever remember. The grass is going almost backwards and one doesn't normally experience this heading towards the end of May. But no doubt by the time you read this page I expect we will have grass around our ears and will be struggling to keep up with everything.

Unfortunately I have attended three funerals within the past two weeks with one of them being a staunch BIGGA member, Alex Robertson, Head Greenkeeper at Grangemouth Golf Club. The number of people who attended the service, many of them from the greenkeeping world, speaks volumes for how popular and genuine he was. Alex's passing is a tragedy and a great loss to our profession and our sincere thoughts go out to his family.

I have also just learnt today of the death of Mark McCormack, probably the greatest innovator in sports management and a man who was rightfully known as the most powerful man in sport. As a young lawyer he offered to manage Arnold Palmer's career and so founded the International Management Group (IMG). Arnold Palmer went on to become the greatest name in sport in the 60s and Mark McCormack went on to manage virtually every top name in sport, not just golf. In golf, however, that list included Jack Nicklaus, Greg Norman and Tiger Woods. IMG were also responsible for the introduction and running of many tournaments including the long running World Matchplay at Wentworth.

I had the pleasure of meeting Mr McCormack at Turnberry on a number of occasions. There is no doubt that his work contributed immensely to raising the standard of golf and gave the game a global focus that in turn gave Greenkeeping Management a higher profile. Those of us who earn our livings in golf owe Mark McCormack a great deal.

That also reminds me that I attended a management meeting last week with IMG, the PGA and the R&A when it was announced that the British Seniors, being played over our own Ailsa Course at Turnberry, is now to be classed as a Senior Major with a purse of £1 million.

Most of the top stars such as Tom Kite, Hale Irwin, Ray

Floyd, Gary Player and Arnold Palmer are competing but for many the appearance of Jack Nicklaus and Tom Watson will provide the excitement. Their epic Dual in the Sun classic in The Open of 1977 produced, some say, the most exciting Open in history. Just the appearance of Nicklaus and Watson together at Turnberry will create a buzz in the galleries and although it may be too much to expect them to reproduce the quality of golf they did during that Open, just a small taste of it will send people home happy.

It will be a busy week for our staff preparing two courses for the Tournament as the qualifying is being played over our second course, the Kintyre. With Barrassie further up the coast also being used as another qualifying course I am sure Brian Finlayson and his crew will produce a first class test.

As I write this report Derek Wilson and his crew are busy preparing Irvine Bogside for the qualifying of The British Amateur Championship, as is Billy McLaughlin, from Royal Troon, over which famous Links the finals are being played. We wish them well for a successful week.

As well as the Seniors in July, this month we also have the Scottish Amateur Strokeplay Championship, closely followed by the Scottish Greenkeepers Championship which are both being played on the Kintyre Course. Plus we have our own Club Championship on the Ailsa Course. So we are in for a busy time, over the next couple of months.

I suppose by now most folks' diaries are filling up, I know mine is. I know I could be accused of being away from my workplace too often, yet if I do not attend certain functions that would also be wrong in some eyes.

I do know one thing. With a busy and important schedule ahead my priorities must lie at Turnberry until the Tournaments are over.
