

**0% finance. 10% deposit
plus 2 annual payments
March 2008 and 2009***

Get to the core of the matter

*Credit offer available for business purposes in the UK and ROI only. Offer ends 31st October 2007. Finance limited to 80% of list price and subject to status. Terms and conditions apply. An administration fee will be charged. Call John Deere Credit on (01452) 372 255.

Up to 1,200,800 precision cores hour after hour. Year after year. The reliability of John Deere Aercore Aerators is legendary. There's a choice of walk behind or tractor mounted models, all featuring our unique, patented 'flexi-link' design. This ensures the tines stay perpendicular to the ground longer for higher quality and more consistent holes. That means faster green turnaround with rapid healing and less disruption for players.
