

Whatever the sport...

...whatever the season...

...we've got the disease control programme you can trust

The Syngenta range of turf fungicides has been specifically developed to provide outstanding levels of disease control. Adopting a programmed approach - rotating **Heritage**, **Banner MAXX** and **Daconil Weather Stik** through the season - can deliver cost-effective,

reliable and sustainable turf disease control - now, and in the future. Combined with the independently proven advice from www.greencast.co.uk you can be confident of applying the right product, at the right time, to maintain the ultimate turf.
