TORO

Toro is proud to launch the revolutionary new Greensmaster TriFlex range. Designed and built from the ground up, the TriFlex 3400 and TriFlex Hybrid 3420 are both packed with ground-breaking technology and deliver an unrivalled quality of cut and exceptional finish. Check out the unique cutting unit suspension system and DPA cutting units that hug ground contours for superb cutting consistency. And redesigned balloon-style tyres that make tracks virtually invisible. What's more, the TriFlex has been built with the operator firmly in mind. Quick-change cutting units can be switched instantly to other units – all without tools. But perhaps most exciting of all, the TriFlex Hybrid 3420 is the first Toro to feature an all-electric cylinder drive system for a greener mower. Discover the all-new Greensmaster TriFlex range for yourself, call us on the number below and join the revolution!
