The Turkey Trot was again played at Worthing Golf Club and a big thank you goes out to George Barr and his crew for presenting a delightful course and also to the catering staff for their hospitality and a great meal. Many thanks to Dave Bush, and Ernest Doe, for the BBQ and drinks at the half way point. I know it was much appreciated. The competition resulted in a grand win in first place for Dave Allen, Simon Wells, Richard Evans and Tony Muzzal.

The Mitchells Grounds Care Sussex Bowl was won by Mike Gould and Richard, from Copthorne Golf Club, defeating George Barr and Gary Ogilvie. Well done to Mike and Richard. More support is needed for the competition this year so PLEASE ENTER. I am sure the entire Section would want to join me to once again thank our sponsors because without their help our events would not be as grand as they are. So please show your support for them and our section and support this year's coming events. Our thanks to: Darren and Scott, at Mitchells Grounds Care Machinery; Mark Day from Tacit; Gary Ogilvie, from Avoncrop Amenity; Dave Bush,

from Ernest Doe, and Steve Vogells and John Cole, from John Shaw Machinery.

Congratulations to Richard and Beth Evans, of Pyecombe Golf Club, on the birth of their son on Christmas Day at 3am. Jake weighed in at 6 lbs 8oz and all are doing well.

Conditions were calm and the sea smooth for the Mitchells Groundscare five-hour sea match held at Pevensey Bay. Twenty-seven anglers fished the competition which saw the whiting size limit raised to 30cm to save weighing in too many fish as there is a glut of whiting at this time of year. In 1st place (and now banned from fishing his own competitions) was Darren Mitchell, from Haywards Heath GC. Second place went to Steven Lusted, Third place to Keith Bean and Fourth place to Paul Giles. The biggest fish pool money went to Steven Lusted, which netted him prize money of £155. Darren honourably stepped down as overall winner and Steven Lusted was presented with the winner's trophy. Everyone weighed in at least one fish so a good time was had by all. Thanks to everyone that attended. A special thanks goes to Colin Martin, from Lewes GC, as he has fished all the matches, both sea and fresh water with a posse of five with him. The next Mitchells Groundscare Machinery course match will be in late June. Anyone interested should book in once a date is announced as numbers might be limited or a larger lake may have to be found. Contact Darren on 07533-476878.

I hope everyone is well and

have enjoyed BTME. Please find reports and gossip in next month's edition. A warm but wet welcome to Mark Tucker, who has successfully headed north up from Saunton Sands, North Devon, as the new Head Greenkeeper of Neath Golf Club. We would like to wish him all the best in his new role.

I wrote in last month's magazine about the winter golf tournament being played unfortunately due to gale force winds and some extreme hails stone the event has been postponed until January 17 we are all hoping for better weather then! All results are to follow.

That's all from me this month please any news, gossip or any dramas please without hesitation contact myself at anytime.

South West

During December, the South West had its Christmas competition. This year we visited Burnham & Berrow GC and what an amazing day it was! Unfortunately the weather was awful, I couldn't say one nice thing about the weather, we arrived at Burnham for our pre round bacon roll and coffee and at that time, the rain was coming in sideways! I remember seeing about 30 greenkeepers standing looking out the clubhouse window, many of them thinking exactly the same as me! By the time it was our turn to go out, I must say the weather did improve slightly, and many of us had an enjoyable round of golf. With this said, the condition of the golf course was brilliant, many of you will know Burnham and will already understand this. We had just played a golf course in December, in awful conditions but I still left the 18th green thinking "Wow, that was an enjoyable to walk."

Many of you will know how popular the South West Christmas Golf Day is, this year was no exception... with over 45 playing golf 15 more for the course walk and sitting down with 70 guests for the meal, this really was a fantastic day! Many

Devon and Cornwall

Hello all and Happy New Year! Our Christmas meeting this year was held at Ashbury Golf Club, near Okehampton, Devon. A total of 70 attendees enjoyed either golf or a course walk. The golf was a Greensomes format playing for the "Ransomes Jacobsen Cup" and the "Irritect Winter Challenge Cup". In what were very testing conditions, 1st place went to Andrew Prouse and David Daw from Porthpean. It was testament to Steve Harris and the greenkeeping team that the golf was played at all, after heavy rainfall.

The Course Walk was led by Steve Harris, Course Manager; Pete Gross, Deputy Course Manager, and Stewart Partridge,

Head Greenkeeper, Kigbears Course. Steve started the walk with a tour of the facilities including all the various departments he is in charge of. Ashbury have 400 Electric Golf Buggies with a two storey indoor parking and charging facility. 90 of these are now fitted with full winter cabs to accommodate year round golf. These cabs have been designed and built in-house and they plan to convert another 60. These buggies are required to facilitate the volume of golf experienced at Ashbury, which can be close to 1000 potential golfers per day. Ashbury boasts 148 holes in total, including 3 x full 18 hole, 1 x 27 hole (these holes are rotated to provide 3 different 18 hole layouts) and there is a 18 hole par 3 course too. Steve is in charge of 29 staff including five full-time mechanics.

Thanks to our sponsors for the day MST and Irritect Ltd. A special thanks to MST for providing a halfway house to be enjoyed by the golfers and the course walkers. Refreshments including Pasties, coffee or something stronger if required.

After the golf and course walk, a 3 course Christmas lunch was served followed by our annual Christmas raffle and the presentation of the prizes. Congratulations to Mike Ellis from Lakeview GC for winning a trip to Harrogate with travel and accommodation met by the Section. On this note, congratulations to Paul Gerdes, Staddon Heights, and Neil Ivamy, Trevose, for securing their places to Harrogate nominated through Duchy College and funded by the College and the Section. Also, congratulations to Greg O'Reilly, St Mellion, for being selected by the Section for a place to Harrogate with the cost met by the Regional Board. It is great that these four members can attend Harrogate and I hope that they have enjoyed their experience.

After the presentations, the members made use of the many other facilities and activities available, including Ten-pin bowling, Indoor bowls and Snooker. There was "friendly" competition between the Devon and Cornwall members playing for a Cup kindly donated by Ashbury GC. A huge thanks to Steve and Pete for organising the day including the activities, it was a fantastic day enjoyed by all the members.

Our next Meeting is at Bigbury

GC, on Wednesday, February 8. The day will be the normal format of either golf or a course walk followed by lunch and an Educational presentation. The day will be sponsored by Mason-Kings and Reel Grinding SW. The Presentation will be delivered by Sibelco. Please contact me asap to secure a place.

Congratulations to Mark Tucker who has secured his first role as Course Manager at Neath GC, in Wales, moving from Saunton GC. Mark has always been a very strong supporter of BIGGA and the Section wishes Mark every success in his new role. Also the Section welcomes Jonathan Wood as the new Course Manager at Trevose G&CC. Jon has previously worked as First Assistant Greenkeeper at Portmarnock Links Golf Club before spending the past five years as Deputy Course Manager at The Old Course, St. Andrew's – where he was also involved in the course preparation for The Open Championship in 2010. Again, the Section wishes Jon every success in his new role.

Membership

Tracey Maddison, Head of Membership, provides a departmental update

Last week BIGGA experienced a record number of visitors to BTME and Continue to Learn 2012 where almost 8,500 people visited Harrogate International Centre to take advantage of a packed week of learning, networking and the opportunity to wander around four halls packed with leading suppliers of products and services all to do with the fine turf industry.

BTME 2012 also saw the introduction of the new 'Showfloor Theatre' which meant that all visitors could watch the presentation of various Awards – including the Edwin Budding Award, STRI Environment Awards, BIGGA CPD Diplomas and Master Greenkeeper Awards and the BIGGA Photographic Competition – and take part in a range of interesting seminars while passing by the BIGGA Stand.

The whole week had something for every greenkeeper whether an Assistant Greenkeeper, an aspiring Head Greenkeeper or a Head Greenkeeper/Course Manager. If you didn't attend and are thinking of attending in 2013, why not go along to a Section event this year and talk to other members about the show and education conference, it is well worth a visit. Also, many Regions and Sections organise trips to Harrogate Week, keep an eye out for notices later this year.

Membership Benefits

We saw the launch of the 'new' BIGGA/GCMA Safety Management System sponsored by Ransomes Jacobsen, which saw a lot of interest on the BIGGA Stand.

BIGGA and the GCMA have spent the last year updating and simplifying the SMS and is accessible through the members area of BIGGA's website or the library area of GCMA's website.

Key elements of the SMS are:

1. Policy
2. Organising
3. Planning and implementing
4. Measuring performance
5. Reviewing performance
6. Auditing occurs at each stage

A new area has been added for Fire Safety. It is a legal requirement in the UK for employers to provide a safe and healthy working environment and BIGGA/GCMA have provided the tools required to help golf clubs to establish their own SMS.

Field Guides

Thanks to the support and contributions of our Gold and Silver Key Supporters we have been able to produce additional pages for the Trees and Shrubs field guide and the Grasses found in Golf Course Rough field guide. To receive the updates please contact HQ.

BUYERS' GUIDE

GROUNDSMAN
• Turf Aerators
• Sod Cutters

GROUNDSMAN INDUSTRIES

Groundsman Industries specialise in the design and manufacture of Pedestrian and Tractor Mounting Turf Aerators, Soil Core Collectors and Turf Multi Cutters, exporting products around the world.

Turf Aeration

Groundsman has been producing Turf Aerator machines and accessories for over 20 years earning the reputation for rugged simplicity with optimum performance for aeration down to 15cm (6") depth. The wide range of quick-change Tines and Holders available enable Solid, Hollow, Chisel, Needle and Cluster-tine aeration on fine turf such as Bowling or Golf Greens as well as Football Pitches, Parks and Gardens. Three pedestrian models are available in 45cm (18") and 60cm (24") working widths. Two tractor mounting machines with working widths of 120cm (48") and 180cm (72") complete the range. The Flexblade Core Collector is an attachment for Groundsman aerators which saves time and man hours by gathering the soil cores as they are being produced in a one pass operation. This extremely effective attachment is also available as a separate implement for tractor or turf utility vehicle mounting for rapid clearance of cores and all types of aeration debris off the green into one pile keeping the green open for play.

Turf Cutting

Two and four wheel drive Turf Multi Cutters have been the focus of product developments at Groundsman Industries for the past ten years. Five widths of Sod blades are available to cut sod widths from 30cm (12") to 50cm (20") adjustable to 7cm 3" thick. Revetting Blades cut two half width strips for sod walling or bunker building. The machines can also be fitted with Trench, Mole-drain and De-compacting blades working to 12cm (5") depth. As well as versatility, the Groundsman Turf Multi Cutters are recognised for effortless clean cutting with the lowest operator handle-arm vibration levels (HAV) on the market. A flat syncro-belt provides quiet smooth drive to the cutter blade and oil-filled disengaging worm gear-box for rugged low maintenance ground-drive. All Groundsman products are backed by a 24 month factory warranty.
