

State-of-the-art cutting precision

means there's not a blade out of place

Perfection. That's what every green should be. And Ransomes GT (Greens Triple) is the greens mower that helps you achieve it.

The GT is the flagship of Ransomes' range. At its heart is an electronic control system that delivers precise cutting unit operation through a whole range of innovative features.

Driven by an economical and reliable diesel engine, Ransomes GT has power to cover the course fast. Hydrostatic transmission

and steering gives effortless, precise control. Units can be removed without tools, ensuring ease of maintenance. Contact your dealer for a demonstration if you're not prepared to settle for a single blade being out of place.

The Ransomes GT now with new Greens Unit with Verti-Groom.

See us at ETME Stand A35.

No.1 in caring for courses
