PRESIDENT'S MESSAGE

Dear Member:

A number of interesting meetings have been scheduled for the fall months, and it is hoped that the attendance at these meetings will be above par.

Our committees have been working hard to give you something at each meeting that will be of some benefit to you and your club. Up-to-date information and methods that are discussed at our monthly meetings, is something that none of us can afford to pass up.

Dates of our meetings are usually made a month in advance in the bulletin, so please check the calendar of events from time to time on the coming activities.

Fraternally yours,

Don Strand,
President
