PRESIDENT'S MESSAGE

TO BE

Dear Members:

I hope that you and your family did enjoy a very good time at our picnic and that next year we can duplicate this event on a much larger scale.

Emil Cassier and the Sycamore Park Commission are to be congratulated for their sincere cooperation in making this greenkeeper's family get-together, a real success.

I was certainly surprised to see so many prize awards which were donated by the Sycamore merchants. We are grateful to those persons who were responsible in making this event such an enjoyable one. I am sure that all of us who attended are aware of that. I hope that we can all get together again at Sycamore for another swell time.

Fraternally yours,

Don Strand

"I'd like to be a could-be
If I could not be an are,
For a could-be is a may-be
With a chance of touching par.

I'd rather be a has-been
Than a might-have-been, by far,
For a might-have-been has never been
But a has-been was an are."
