

forms provided for that purpose. Such forms will be available at the Registration Desk. Dues in the Association are currently \$35.00 per year—no initiation fee is charged.

The Washington Show will be the biggest in the history of the Association. As of this date there are 59 Exhibitors who are occupying 93 Booths. Additional space may be secured to satisfy pending inquiries from Exhibitors. The Shoreham Hotel will be able to house from 850 to 900 delegates and visitors. Overflow can be accommodated at the Sheraton-Park Hotel one block away.

The Educational Program will present outstanding speakers in all fields. There will be one full session devoted to budgets and financing. There will be discussion on design and renovation of greens. Irrigation and installation add use will be discussed. Reports on the newest in research from technical speakers will be presented. Outstanding Superintendents will tell how they have been able to improve their operation by good management practices. The Mid-Atlantic Association of Golf Course Superintendents will put on a mock meeting to show how they have been able to increase both their local and National membership while contributing a great service to golf clubs. Of course there will be the ever popular session of "Quizzing The Experts."

Review Program with your club officials. We feel sure they will agree that the information to be gained from the Educational Conference plus the opportunity of exchanging information with other professional recognition it as a good investment for better golf.

As Washington is one of the outstanding sight seeing attractions of this country a special schedule of activities has been worked out to provide you and your families time to see many of the Nation's public buildings and historical sites.

The Golf Course Superintendents Association has had a very progressive year. Membership has grown from 920 to 1102 a gain of 183 Members for 1957. Several memberships will become effective the first of the year.

The Association's office was moved in March to much needed larger quarters. In addition to a working area we now have room for group meetings, a location for our library and an area where we can welcome our friends and business associates. You are cordially invited to inspect these quarters at 111½ East Main Street, St. Charles, Illinois at any time. Our staff of Miss Jean Stafford and Mrs. Jo Anne Austin and myself will be pleased to see you.

Distribution of The Golf Course Reporter has increased this past year. We are reaching more Superintendents and others in the field of turf than ever before. With every issue several copies are mailed overseas to 15 foreign countries. Advertising and subscription revenue has also increased this year.

We want to send The Golf Course Reporter to the Clubs of all Members of this Association. Gratis copies will be sent to your Club officials when you advise their addresses.

GOLF COURSES EVERYWHERE

THE JANUARY MEETING

51 members and guests feasted on Roast beef at the beautiful River Forest Country Club on a snowy 6th of January. It was a good dinner, a good business meeting and an excellent Question and answer session as part of the Educational Program.

Al Johnson, who had served us for many years as Secretary and Treasurer received a new projector. Al had a new camera for Christmas, and now has the complete outfit.

Amos Lapp, retiring president, received a new Polaroid Camera. It was a beauty.

Doug Brinkworth, son of Mr. and Mrs. Gorgan Brinkworth of Olympia Fields C. C. was operated on Jan. 9 at Childrens Memorial Hospital in Chicago. The operation is to correct a heart Condition.

WEDDING BELLS

Paul W. Burdett, son of Paul E., was married to Miss Edith Shaw of West Bend, Wisconsin, on Saturday, December 28. After a honeymoon trip to St. Petersburg, Florida, they returned to this area where Edith resumed her teaching of Home Economics and Family Living in the Harvard High School. Paul reported back for duty at Ft. Sheridan where he plays in the 5th Army Band.

CONGRATULATIONS

Mr. and Mrs. Don Strand Jr. are the parents of a son, Carl Robert, born on January 12 at St. Francis Hospital in Evanston.

Mr. and Mrs. Noel Fiene (Janet Davis-Ray's daughter) are the parents of a daughter born January 12.

Our congratulations to the happy parents and also to the happy grandparents.

Henry Lange reports that he is still having trouble getting the deep well at Glenview Country Club redrilled, but that he hopes by Spring that he will be able to use it again. The well was out of commission almost the entire summer of 1957 and he had to depend on what little city water he could obtain.

The curling season is now well under way and the sport seems to be becoming more and more popular in the Chicago area. The latest country club to go all out with a covered, artificially refrigerated curling layout is Oak Park. We predict that there will be more within the next few years.

"PMAS" - Crabgrass & Disease Control
"CADDY" - Economical Liquid Cadmium Fungicide
"SPOTRETE" - 75% Thiuram Fungicide
