

**CLIPPINGS**

Bob Williams, formerly the Grounds Superintendent at Beverly Country Club, has assumed the Superintendent's responsibility at Bob-O-Link Golf Club on the north side of Chicago.

Ted Woehrle, a protege of Bob Williams, has transferred his allegiance from Point O'Woods Country Club to Beverly Country Club where he was formerly employed.

Norman Kramer, formerly the Superintendent at Silver Lake Golf Club, has moved to Point O'Woods Country Club in Michigan.

We wish them the best of luck at their new clubs.

El Pruess Superintendent, Bartlett Hills Country Club is building a New equipment building 35' x 70' using concrete block construction. Also constructed new putting greens last fall. Hariett has extensive plans for remodeling the club house.

Paul Voykin proud father of new baby girl born March 16th. Cigars April 7th, Paul?

Albie Staudt to Geneva Country Club with Frank Mastroleo.

The Illinois Lawn Equipment Inc. of Orland Park, Ill. were host to the south and west side golf course superintendents Tuesday, March 17th. The purpose of the meeting was to acquaint Supt's. with the Case tractor line which Bob Johnson has taken on for distribution in this area. Case makes a complete line of wheel and crawler type tractors which can accomodate many attachments which can be used in golf course maintenance and construction work. Bob had a nice lunch set up in the Legion Hall and a good time was had by all. Frank Schickle of the Rock Island Country Club won an electric drill as a door prize. The Rock Island Club will not open this spring, it is being pushed under by a new highway. Bob says he knows what it means to be "shook up". Friends invited Bob and Mrs. Johnson to Florida via a beachcraft four seater, took them three days going and four returning, shook up good, better take a Case tractor next time Bob, they ride real good.

Cleary Corporation is now offering two new wettable powder fungicides known as "THIMER" and "CAD-TRETE". THIMER is a combination of phenyl-mercury and Thiram, for disease and crabgrass control.

"CAD-TRETE" is a combination of cadmium and thiram.
