

Golf

It is a science, the study of a lifetime, in which you may exhaust yourself but never your subject.

It is a duel or a melee, calling for courage, skill, strategy and self control. It is a test of temper, a trial of honor, a revealer of character. It affords a chance to play the man and act the gentleman.

It means going into God's out-of-doors, getting close to nature, fresh air, exercise, a sweeping away of the mental cobwebs, genuine recreation of the tired tissues. It is a cure for care, an antidote to worry. It includes companionship with friends, social intercourse, opportunities for courtesy, kindness and generosity to an opponent. It promotes not only physical health but moral force.
