

**MAY WE OFFER THE FOLLOWING RECIPE FOR SUCCESS**

Take twelve fine, full-grown months, see that these are thoroughly free from old memories of bitterness, rancor, hate, and jealousy; cleanse them completely from every clinging suite; pick off all specks of pettiness and littleness; in short see that these months are freed from all the past — have them as fresh and clean as when they first came from the great storehouse of God.

Cut these months into thirty or thirty-one equal parts. This batch will keep for just one year. Do not attempt to make up the whole batch at one time (so many people spoil the entire lot in this way), but prepare one day at a time, as follows:

Into each day put twelve parts of faith, eleven parts of patience, ten of courage, nine of work (some people omit this ingredient and so spoil the flavor of the rest), eight parts of hope, seven of fidelity, six of liberality, five of kindness, four of rest, three parts of prayer, two of meditation, and one well-selected resolution.

Then add about a teaspoonful of good spirits, a dash of fun, a pinch of folly, a sprinkling of play, and a cupful of good humor.

Pour into the whole, love unbounded, and mix with vim. Cook thoroughly in a fervent heat; garnish with a few smiles; serve with unselfishness, and cheerfulness . . . . and success is a certainty.
