PRESIDENT'S MESSAGE — June 1963

Dateline: May 14

What should a President's Message be? Well, some might think it should be all educational, others might think each message should be inspirational, others might think it should at least be informative. I agree, but it can serve another purpose too, a little humor or a laugh.

Have you ever thought what's in a name? A song title, for one thing. So if you want to read some *CORNWELL*, read this.

MARVIN GRUENING

MEET THE BOARD

This month we are featuring Marvin Gruening. Marv is serving as the Chairman of the Golf Committee, and doing a fine job. He is the Superintendent of the Midwest Country Club where our March meeting was held. Midwest Country Club is a 36 hole Course and is one of the finest Clubs in the area. They have changed all the turf on their greens to C-15 and it seems to be doing very well.

Marv started his career in the State of Wisconsin where a Superintendent noticed him as a caddy and took a liking to him and encouraged him to become a laborer on the rounds crew. He continued to work on the course while attending high school. After graduating he continued his schooling by enrolling in the turf school at the University of Mass. After completing his work at the University, he became the Superintendent of Bonnie Dundee for two years, (1949-1950). After this he became the Assistant Superintendent of Peter Bild at the Woodridge Country Club for three years. From there he moved to his present position as Superintendent at the Midwest Country Club.

Marv lives with his wife Lorraine and three children, a son Mike and two daughters Debbie and Susan.

TEN YEARS AGO THIS MONTH

The June meeting of 1953 was held at the Lake Shore Country Club. Joe and Adolph Bertucci were our hosts. Frank Denelli was the winner of the golf event. Dr. Klomprens of the Up-John Company was the guest speaker. He presented the subject of Microscopic Identification of Fungi. Remember?

Later that month the Annual Spring Golf Tournament was held on June 22, 1953 at Bonnie Dundee. Ray Gerber won the Seniors title with a blistering 39-38-77. His best round ever. Jock Anderson was the low net winner.
