

LOCAL NEWS

LAWRENCE MARZYNSKI

Because of the lack of space and time last month we were unable to place the picture of Lawrence Marzyński in the April issue. Lawrence was the Host Superintendent of Sportsman Country Club where the last monthly meeting was held. According to the golfers that played that beautiful day he had the course in wonderful shape. Lawrence has been at Sportsman for the last several years starting there in February 1960. Before that he was employed as Superintendent of the Rolling Green Country Club for over 30 years.

10 YEARS AGO THIS MONTH

Just ten short years ago this month the meeting was held at Silver Lake Country Club. Norm Kramer was Superintendent then and the schedule for the day was planting Zoysia over 1/2 acre. The event was called "Operation Zoysia." Remember?

Henry Lange had just completed his new irrigation system at the Glenview Club.

Frank Dinelli was planting Zoysia on some of his tees.

Frank and Mrs. Mastroleo had just become grandparents for the first time.

Mike Coyne had just sold Glenwoodie Golf Club and purchased Fox Lake Country Club.

A recent announcement from Geo. A. Davis states that they now have a recording service for the convenience of the people that find it necessary to place orders after normal business hours.

The Roseman Mower Corporation announced recently that they are now handling West Point Products.

Several of the Superintendents in the area are using Endothal for Knotweed control. Others are using Sodium Arsenite at one to two pounds per acre. Some are mixing 2,4-D with Sodium Arsenite at the rate of one pound actual material per acre.

The wife of Randy Mulkey recently passed away. Randy is Superintendent of Westgate Valley Golf Club. The Association extends its deepest sympathy to Randy.
