THE GREEN

The green keeper stood at the golden gate
 his head was bent low.

He merely asked the man of fate
 Which way he ought to go.

What have you done, St. Peter said
 to seek admittance here.

I ran a country club on earth
 For many and many a year.

St. Peter opened wide the gate
 And gently pressed the bell.

Come in, he said, and choose your harp
 You've had your share of hell.
