LAST MONTH'S MEETING

Our January Meeting was held at the River Forest Country Club on January 14, 1964. Ed Stewart was our host.

River Forest has always been one of the finest meeting places during the years and this was no exception. Mr. Jones, the genial manager, served us one of the most delicious meals that this person can recall.

The meeting was a busy one and much business was accomplished. The highlight of the evening was the excellent and entertaining presentation of the Maddox Construction Company. They illustrated some of the problems they encountered during the construction of a golf course. Over 300 colored slides were used during this presentation. We can now appreciate some of the problems that arise during the construction of a golf course.
