Walter Fuchs, Superintendent Glen Eagles Country Club.

### *The President's Message*

Water, water everywhere, and still we get some more. Some of the local pros are thinking about putting pontoons on the golf carts! This kind of weather makes you appreciate a good drainage system or wish you had one.

Our sincere appreciation goes to Frank Dinelli and Jerry Marlatt for doing such a superb job at the Managers - Superintendent meeting at Northmoor. I thought the attendance was outstanding and everyone was in a good mood despite the weather we've been having. Frank and Jerry Dinelli deserve a lot of credit for having their course in such excellent condition despite the adverse weather conditions. When you see a course looking as well as Frank's it gives you that extra pickup you sometimes need to go back to your own course and solve some of the problems that plague all of us.

Adolph Bertucci  
President

SAY YOU SAW  
IT IN THE  
"BULL SHEET"

---

## JUNE MEETING

Glen Eagles Country Club was our host for the Association at this meeting. It was a pleasure to join Walter Fuchs, our host Superintendent, at the site of the 1957 World Open. Over 60 of our members sat down to a tasty roast beef dinner. The McNulty Bros. are to be congratulated on the fine club house operation.

Walt and his entire crew must have been working till late at night to get this "White Course" in such beautiful condition. Some of the 40 or so golfers found the pins placed in real tricky areas.

The golf tournament was a "low ball twosome," using the Calloway system. Peter Voykin was medalist with a 76.

The winners:

- 1st 141 — Pete Voykin, Mike Banar
- 2nd 143 — Oscar Miles, Rodger Lovershell
- 3rd 144 — Michell, Conelli
- 4th 148 — Frank Kruger, Chuck Dougherty
- 5th 149 — Druzinsky, Opperman

On the closest to the pin tourney, held on hole #7, a par 3 165 yards, Dick Travarthan was nearest to the pin. The prize for that was a \$60 Oster Blender.

The putting contest, as advertised in the May Bull Sheet, was called off. Only two non-golfers showed up.

For the July meeting at Olympia Fields, the golf event will be:

Blind Bogey — between 70-85 with scores then reduced further by applying the U.S.G.A. Calloway Handicap system.

On Olympia's shortest par 3 hole a Closest to the Pin contest.

For non-golfers that day, a try at another Putting contest at 4:30 sharp. Have to have a minimum of 15 participants before this contest can be run off.

Thanks to Braunsky and Burrows for our golf information. Let's all make an effort to get to Olympia in July.
