

A foursome finishing up on No. 18 hole.

Flossmoor Country Club Clubhouse.

## School Days

The third Illinois winter short course in turf and general grounds management will be held on the University of Illinois campus at Urbana beginning on January 30 and ending on March 10. Subjects offered in this course include turf management, arboriculture, landscaping recreation areas, grounds maintenance equipment, etc. Certificates are awarded to those who satisfactorily finish the course.

The estimated cost of the six weeks program is from \$235 to 300. This amount includes tuition, fees, books and supplies, as well as housing and meals which will be available in university residence halls.

For further information write the Short Course Supervisor, 104 Mumford Hall, College of Agriculture, University of Illinois, Urbana, Illinois.
