Two timely articles which will appear in the May issue of "THE GOLF COURSE SUPERINTENDENT."

TWO-WAY COMMUNICATION ON THE GOLF COURSE

In the May issue of THE GOLF SUPERINTENDENT, Jerry Dinelli, superintendent of Northmoor Country Club in Highland Park, Illinois, demonstrates how he has put modern electronic communications to work for him (and the members of his club — **every golfer is as close to a "telephone" as the nearest maintenance vehicle . . .**)

"As improvements in maintenance are effected, the need for greater control over manpower increases. It has become virtually impossible for a superintendent to keep a steady watch over all the day's work; yet this is needed to maintain high efficiency and to get the greatest possible return on manpower and equipment expenditures. Even with the aid of small vehicles, a superintendent still cannot be in two places at one time, and there are numerous occasions when this is necessary on the golf course. But this problem is quickly being erased as the Citizen Band Radio is used to a larger extent. With the practical, standard C.B.R., today's golf course superintendent is now within speaking distance of all his men."

SUPERINTENDENT KELLOGG PREPARES OAK HILL C.C. FOR '68 USGA OPEN

Fortunately, for both Oak Hill and myself, I had been through the 1956 USGA Open at Oak Hill, as assistant to Elmer J. Michael, who, last year, received the USGA Green Section Award for distin-

guished service to golf through work with turfgrass. January 1, 1966 was the beginning of two years of changes; preparation for all of the hundreds of problems which occur when you host a major tournament.

The following spring, the weather broke early in March and I thought, "Here is the break I need to get an early start on the construction projects." But in early April, Mother Nature decided we hadn't had enough snow and proceeded to prove it with two more 10-inch falls, three days apart. This held things up until late May. Then, when it did break, so did the golfers—right to the first tee.

ARE YOU MOVING?

Don't forget GCSAA on the list of the many people that you must notify when you change your address. If you are contemplating moving in the near future, please advise us at your earliest convenience so that we can be sure that you continue to receive your copies of THE GOLF SUPERINTENDENT and all other Membership information that GCSAA mails to you, without interruption. It is only by you keeping us advised in changes of your address that we can keep your mail coming to you as it should be.

ARE YOU MOVING?

Don't forget to notify the "Bull Sheet" editor so the "Bull Sheet" can follow you. Due to recent changes in Postal Laws this is necessary.
