### NATIONAL GOLF DAY HELPS TURF STUDENTS

This year golfers will be out to contribute to the GCSAA Scholarship fund (indirectly) when they play against the PGA and U.S. Open Champions, Don January and Jack Nicklaus in the "Round of Champions" scheduled for May 30, 1968. A portion of the proceeds is contributed to the GCSAA Scholarship and Research Fund by the National Golf Fund. Everyone interested in the betterment of the game of golf and fine turf should support the promotion for this worthwhile event.

Last year, the GCSAA received \$10,790.00 toward the scholarship and research fund of the \$83,000.00 in receipts from National Golf Day. The Fund is shared by caddie scholarship grants, research and golf-related charities. During the past 16 years, the total disbursements have been more than one and a quarter million dollars.

The largest single outlay last year, \$21,995.00 went for caddie scholarship grants, second largest contribution of \$18,260.00 was earmarked for the PGA Relief Fund; the United States Golf Association Green Section Turf Research and Education Fund received \$11,620.00, followed by the contribution to the GCSAA Scholarship and Research Fund.
