THERE ARE BONES AND BONES

Someone has said that membership in every Association is made up of four kinds of bones:

1. There are the wish bones who spend their time wishing someone else would do the work.
2. There are the jaw bones who do all the talking but very little else.
3. Next there are the knuckle bones who knock everything that anyone ever tries to do.
4. And finally there are the back bones who get under the load and do the work.
