The Midwest Association of Golf Course Superintendents held its meeting this month at Plum Tree National Golf Club. Charles Shiley, host superintendent, had the course in splendid condition. 92 played golf on this hot, humid day. The golf winners were: Tim Miles — 72 gross; low net winners were Charles Shiley, Bob Kronn, John Jackman, Bob Rychtarik, Bob Williams, R. Clifford, Tom Guthner, Brad Anderson, Bob White, Ed Smith.

There were a total of one hundred and ten who attended the meeting. Those who did come had an opportunity to listen to an educational program on conservation, delivered by the University of Illinois. It appeared that everyone found this type of program interesting, judging from the many questions that were asked. The large attendance proves the distance to travel means very little. The knowledge gained is far greater.

Two of our retired superintendents, who now are living in Florida, Ray Davis and Walter Hoyt, attended the meeting and visited with many of their good friends. We sure were glad to see them, and glad that they're looking so well.

Bill Kraft and Tony Sella, both from Indiana, traveled well over 130 miles to be with us. It is always good to see the boys from the Hoosier state!

GCSAA HEADQUARTERS — Readers of the GOLF SUPERINTENDENT are reminded that because the 44th GCSAA Conference and Show will be held January 7-12, 1973, in Boston, Massachusetts, a month earlier than in past years, it has become necessary to change the publication's schedule.

It will be issued as follows for the remainder of the year: July, August/September, October/November and December (Special show issue). The journal will continue to follow its rigid mailing schedule of the first week of each publishing month and readers can still expect to receive their copies early in July, August, October and December.

Chapters planning to run an ad in the Conference issue must get their material to Headquarters (THE GOLF SUPERINTENDENT — 3158 Des Plaines Avenue, Des Plaines, Illinois 60018) no later than November 1.
