

ful bride spend their honeymoon. It's great having friends who are in charge of Holiday Inns and nice members who own fishing boats. We went fishing, dining, golfing, and if you ever get to Sarasota, there's a great place for afternoon Schnapps on the harbor called Marina Jack's.

We drove a route to Fort Lauderdale that took us through fields of sugar cane and heavy orange groves. We were almost tempted to stop a couple of times and pick some oranges, but a friend of mine once tried that and got hit with buck shot by an angry farmer who was guarding his fruit groves from tourists.

The JOLLY ROGER Hotel is a nice managed hotel that has an inviting charm about it that other newer and more expensive hotels will never acquire. This is my fifth time here (second for Peter and Dudley). The weather is gorgeous and we swim and golf almost every day. Even with that exercise we are rapidly putting on weight because of the many excellent restaurants in Fort Lauderdale area. We have been to Dania at night to watch Jai-alai, and saw some great horses run at Gulfstream last Saturday. Man, what a life. I'll never complain about growing grass again — at least not until summer.

Wish you were here...

## LOCAL HAPPENINGS

The Midwest Association of Golf Course Superintendents March meeting will be held at the Pheasant Run Country Club on March 15.

Amos Lapp, golf course superintendent at the St. Andrews Golf Club for the past 26 years and has a total of 47 years as a golf course superintendent was presented a quarter century G.C.S.A.A. pin at the January meeting of the Midwest Association of Golf Course Superintendents by Ray Gerber. Forty-seven years as a golf course superintendent is one to be proud of and we congratulate him.

Rodney Voykin, the youngest brother of the Voykin's, was married on January 22, 1972. He also has been appointed golf course superintendent effective February 15 by the Deerfield Park District. Congratulations Rodny.

The Midwest Regional TurfConference will be held at the Memorial Center, Purdue University, Lafayette, Indiana on March 6, 7 and 8. See program for full details.

The Flower Show will be held at McCormick Place in Chicago on March 18-26, 1972. This is a show worth seeing. You should not miss it.

The Chicago District Golf Association will hold their annual green seminar at River Forest Golf Club on Friday, April 28, 1972. The topic will be Ecology. The final program will be mailed to you at a later date.

Ed Stewart and wife from River Forest C. C. has returned home after vacationing in Florida.

Don Gerber from Chicago C. C. and wife Lynn have also returned home from a trip to Florida and Durham, N. C., where he visited his brother, Gerald and family.

Another traveler, Ted Sokolis and family from the Village Links G. C. traveled to Denver, Colorado. Ted checked the skiing hills where the 1976 Olympics are to be held.

Bill Saielli, Superintendent at Indian Hills C. C. is vacationing in Florida. Hurry home.

Roy Nelson checked out early from the conference in Cincinnati due to a mishap by his wife. Hope it is not too serious.

A couple of our boys from the Midwest Association, Frank Jemsick and Jim Bertoni won a book given away by Milorganite Co. Education is always on the move.

Jim Burdett has a new hair do. HE CHANGED BARBERS.

Walter Fuchs Jr. won a 19 inch color T.V. in Cincinnati. I am sure the family will get a lot of enjoyment from it. Congratulation.

This is the time of the year to make a list of the various type of flowers you are planning on planting this coming year. You should get your order in early. Contact your Florist, so that he has ample time to grow the plants that you will be happy with. When making your selection of flowers, be sure to order the highbred all American variety. The cost is probably the same and you will be much happier with the results.

The Cincinnati Golf Course Superintendents Association can feel very proud. They sure did a marvelous job in regards to the G.C.S.A.A. conference in Cincinnati. The party on Monday night was outstanding. I sure don't know how they did it for the small charge. It proves that where there is a will, there is a way.

The father and son luncheon, sponsored yearly by Golfdom is a fine affair. I am sure I can speak for every one who attended and say we always appreciate it.

The new G. C. S. A. A. officers for 1972 are Robert Mitchell, Pres., Cliff Wagner, Vice Pres., Palmer Maples, Director, Carlton Gipson, Director, Theodore Woehrl, Director.

The total attendance at Cincinnati was 4,053, an all time record.

National Golf Foundation reports there will be 425 new golf courses built in the United States in 1972.

Henry Lange

### HENRY LANGE RETIRES

Henry Lange has retired as superintendent of the Glen View Club after fifty years of faithful service. You will note by the picture that Henry can still smile after all of these years because he is proud and confident that his performance, for the Glen View Club, has been outstanding.

Mr. Lange has been more than the Golf Course Superintendent at the Glen View Club, during these past fifty years. He was also responsible for the maintenance operation of many other departments within the club.

Henry has been a member of the Midwest Golf Course Superintendents Association for many years. He was a director in 1950 and served on various committees during these years.

I have known Henry for approximately thirty-seven years during this time I have always felt that it was my privilege and honor to have associated with a man who is a true gentleman with high professional standards. I hope our friendship will continue for many more years. I am sure that the members of the Glen View Club will agree with me, and they will welcome Henry as part of their club for many years in the future.

### Remember Me?

"I'm the fellow who goes into a restaurant, sits down and patiently waits while the waitresses finish their visiting before taking my order.

"I'm the fellow who goes into a department store and stands quietly while the clerks finish their chit-chat.

"I'm the fellow who drives into a service station and never blows his horn, but lets the attendant take his time.

"You might say I'm the good guy, but do you know who else I am?

"I'm the fellow who never comes back.

"It amuses me to see business spending so much money every year to get me back ... when I was there in the first place.

"And all they needed to do was give me some service, and extend a little courtesy."

Mobility . . . cross roughs. Finger tip control from tractor seat. All mowers quickly raise for transport between areas to be mowed. Leave golfer congested fairways and return when clear.

Mow fairways in less time. Hydraulic lift frame can be used with any Roseman Fairway or Hi-Cut Rough Mower.
