Midwest Association of Golf Course Superintendents April 10th meeting was held at Woodridge Golf Club. Tony Meyer was host. This was a very interesting and educational meeting and sure started the season with attendance of one hundred and two. The credit for the wonderful steak dinner goes to Mrs. Tony Meyer.

The after dinner education program was conducted by Walter Fuchs, moderator. Speakers were Jim Bertoni, Fred Opperman and Ray Schmidt. This was followed by a question and answer period.

Four different power sand trap rake companies demonstrated their rakes. Truly remarkable the improvements that have been made in these rakes. Many Superintendents gave them a try and were very pleased with their performance.
