

Beginning a new era in turf mowing, the Roseman 7 unit Hydra-Gang Mower utilizes the tractor power take-off system to power the cutting reels and the tractor hydraulic system to provide hydraulic lift for each mower unit. Hills and banks can be mowed easily regardless of soft or wet turf conditions. Individual mower units follow ground contour with unlimited flexibility without scalping. The Hydra-Gang mounts on Ford 2000 and 3000 All Purpose model tractors.

GOLFERS PSALM

The Pro is my shepherd, I shall not slice.
 He maketh me to drive straight down green fairways.
 He leadeth me safely across still water hazards.
 He restoreth my approach shots.
 He leadeth me in the paths of accuracy for my game's sake.
 Yea though I chip through the roughs in the shadows of the sand traps,
 I will fear no bogies, for his advice is with me.
 His putter and irons, they comfort me.
 He prepareth a strategy for me in the presence of my opponents.
 He annointeth my head with confidence.
 The cup will not be runneth over.
 Surely birdies and eagles shall follow me all the rounds of my life,
 And I will score in the low eighties forever.
