Midwest Breezes

The Bull Sheet editor had the great pleasure of visiting several golf courses in the Chicago area this past golfing season. I found most of them in excellent condition. The month of August and the greater part of September precipitation was almost zero in certain areas, unwatered fairways took a beating during this period.

The Midwest Golf Course Superintendents Association held their annual Golf Tournament on September 28th at the beautiful Ridgemoor Country Club. The golf course was in excellent condition under the guidance of host Superintendent Bob Kronn. The weatherman tried to discourage the golfing Midwest members but did not have a chance.

What does a little rain mean to these rugged outdoor men. The dinner was of the finest and our many thanks to everyone who helped make this day a most pleasant and enjoyable one. The host, Bob Kronn, proved he knows his golf course. He became the new Midwest Association Golf Champion.

The three Voykin brothers, Paul, Peter and Rodney are at this date, October 10th, in Canada helping their mother celebrate her birthday. This is sure nice of the Voykin boys to do this. We hope no serious problems take place in Illinois during their absence. Paul left his Canada phone number in case there are any.

Our Midwest Golf Course Superintendents annual clinic will be, as usual, held at the beautiful Medinah Country Club. Our host John Jackman, superintendent, will be ready to welcome all of you. Be sure to attend this excellent conference on November 13 and 14.

Tony Meyer, Superintendent at Woodridge Golf Club, reports the club is erecting 5,000 feet of six foot high cyclone fence along the west and south property line to help control vandalism.

COME TO MIKE BAVIER'S RESCUE

Any of you Midwest members, who have a change in your address, **please** let Mike know. Send it to Mike Bavier's secretary, 2108 North Elizabeth Dr., Arlington Heights, Illinois 60004. Also be kind and do the same to the Bull Sheet editor, Ray H. Gerber, 865 Hillside Ave., Glen Ellyn, Illinois 60137. Thank you.

While you are doing it how about coming to the rescue of the Bull Sheet editor and send in some news that he can use.

To: Ray Gerber
Subject: Tax Shelter Annuities
Dear Ray:

Back in June when I spoke to your green superintendents, I discussed the possibility of their participation in Tax Shelter Annuities.

Due to recent developments, the Tax Shelter Annuities for green superintendents at the country club will not exist.

If you would, put a notice out in your news letter stating this fact. Thank you very much.

Respectfully yours,
David A. Huske
